

# DEMAND SIX HOUR DAY, FIVE DAY WEEK

## UNION LEADERS UNITE IN OPPOSITION BUT UNABLE TO STOP IT

Will Seek to Have it Included in New Wage Agreements—West Virginia Secretary Says Six Hour Day Means Suicide—Double Time for Holidays and Sunday Work

(By The Associated Press)  
INDIANAPOLIS, Ind., Feb. 18.—Renewal of the demand of union coal miners for a six hour day, five day week, a proposal that was made before the 1919 strike, was adopted today by the convention of the United Mine Workers as a part of the policy the union will seek to have included in the new wage agreements, effective April 1. This demand had the united opposition of the union's leaders, including all district presidents.

The convention action for the shorter working day was the only radical change in the wage policy proposed by the union's scale committee which centered the union's policy proposals toward retaining present basic wages for soft coal miners and gaining increases for anthracite workers under threat of a general strike. The strike and wage proposals by the committee were adopted by overwhelming votes.

## WOULD FURNISH POWER TO LARGE AREA THRU SOUTH

### President of Alabama Power Company Makes Promise

(By The Associated Press)  
WASHINGTON, Feb. 18.—Supply of hydro-electric power for municipal and industrial purposes through the region within transmission distance of Muscle Shoals, Ala., estimated by engineering experts at 400 miles, was promised tonight by Thomas W. Martin, president of the Alabama Power Company in the event congress accepts the offer of that company for purchase and lease of the Shoals project.

Mr. Martin said in a statement that the offer to operate at Muscle Shoals under the federal waterpower act obliged the company to function as a public utility "bound to serve everyone without discrimination, either in rates or service."

The statement further said that a wide demand existed in the south for increased power facilities and that this consideration had motivated the Alabama company in making the offer. Mr. Martin said assurances had been received from important industrial enterprises that if the power from this development becomes available to the public important industrial enterprises will establish new plants and factories.

Progress was made by the house military committee today in its consideration of the Ford offer for purchase and lease of the Shoals project, although the committee hearings were suspended yesterday until Monday.

Members individually summed up testimony taken in the last two weeks and conferred with Mr. Ford's representatives.

W. B. Mayo, personal spokesman for Mr. Ford conferred with Representative James, Republican of Michigan, before he left for Detroit. Mr. Mayo gave him a statement for the committee's record showing the number of tons of finished fertilizers Mr. Ford could produce annually at Muscle Shoals by applying three formulas to the 110,000 tons of ammonium nitrates which he guarantees by the proposed contract to manufacture at Plant No. 2. By one formula it was said, 1,925,000 tons would be possible while 1,283,000 and 9,622,500 would be produced respectively if the other processes were applied.

### LARGE KANSAS FLOUR MILL BURNS

Aetehison, Kansas, Feb. 18.—The Blair Mill one of the largest flour mills in Kansas was destroyed by fire today with an estimated loss of \$400,000.

### SHINE FOR NICKEL IN TOPEKA, KANS.

Topeka, Kans., Feb. 18.—A man can now get both shoes shined in Topeka for a nickel. The former price for a "shine" was 10 cents.

## LONG TALK FEST SEEMS LIKELY ON ARMS TREATIES

Not Believed Discussion Will Endanger Ratification

(By The Associated Press)  
WASHINGTON, Feb. 18.—Despite the pressure of both Republican and Democratic senate leaders for prompt action controversies are developing within the foreign relations committee which may lead to a long committee discussion of the arms conference treaties before any are brought to the senate floor for ratification.

Some committee members predicted today that the effort to secure a detailed legislation of the negotiations leading up to the four power Pacific treaty would become an element of considerable discussion.

Afterward at least four proposed reservations to this treaty, which is first on the list, seem likely to come before the committee before it goes on to the seven conference agreements.

Party leaders are satisfied that the disagreements and delays encountered will in no way endanger ratification of any of the treaties, but they are watching with manifest interest the attempt now in progress to consolidate into a fighting machine all the senate elements who are dissatisfied with the results of the Washington negotiations. There is no evidence that any closely knit anti-trust bloc has been formed.

The first test of strength in the committee may come this week over a proposal to further pursue the quest for detailed information regarding the four power treaty negotiations.

### No Minutes Were Kept.

President Harding is expected to inform the senate Monday in response to its resolution of inquiry that no minutes of the negotiations were kept. But it was indicated tonight that such a reply might not be acceptable to some committee members and that an effort might be made to summon Secretary Hughes, the American delegation head, home from Bermuda.

Senator Hitchcock of Nebraska, ranking Democratic member of the committee and author of the resolution of inquiry plans to leave Washington Monday for a western trip which probably will keep him away until the end of the week. In his absence the effort to secure additional data is expected by committee members to be taken up by several Republican senators including Borah of Idaho, Johnson, California and Brandegee, Connecticut.

In addition to these three Republicans, Senators Moses of New Hampshire and McCormick of Illinois also are Republican survivors of the old "irreconcilable" faction of the Versailles treaty fight and the five make up an element of the Republican committee membership which the leaders are watching with particular interest. All five have expressed some doubts about provisions of the four power treaty and it is real working agreement with the Democratic members the result would be a combination strong enough to dictate committee action.

### RECEIVER FOR FOOD PRODUCTS COMPANY

ST. LOUIS, Mo., Feb. 18.—A receiver today was appointed in federal court for the Tempter Corn and Fruit Products company to operate it as a going concern following application filed by creditors. The company agreed to the receivership but denied the organization was insolvent. The action it was said will mean the dropping of the receivership proceedings started ten days ago against the Best Clymer Manufacturing company which is controlled by the Tempter company.

### WOULD PREVENT SALE OF INVESTMENT CONTRACTS

CHICAGO, Feb. 18.—Plans to prevent the Co-operative League of America from selling 17,000,000 of so-called "investment contracts" was filed in circuit court today by Attorney General Brundage on behalf of Secretary of State Emerson. It is alleged that the attorney general's petition for a restraining order that the league has issued the contracts without having filed with the secretary of state the necessary statements regarding the contracts.

### GERMAN RAILROADS ON PRE-WAR BASIS

Washington, Feb. 18.—German railways have been restored almost to normal pre-war basis according to advices received today by the department of com-

## Condensed Telegraphic News

(By The Associated Press)

JACKSONVILLE, Fla., Feb. 18.—The sheriff of Baker county appealed today to Duval county authorities for help in coping with a situation at MacClenny thirty miles west of here, which he said threatens to develop into civil warfare as the culmination of the shooting to death this morning of Jake Wilkinson, the kidnapping last week of a man named Robinson and the recent mysterious disappearance of T. R. Henderson, former banker and wealthy naval stores operator.

SPRINGFIELD, Ill., Feb. 18.—Max Murdock, assistant director of registration and education, today filed his petition as a candidate for state senator from the 25th district in the Republican primary, April 11.

Mr. Murdock is said to have the backing of the state administration against Senator Thurlow G. Esington of Streator in the primary.

DIXON, Ill., Feb. 18.—The house and all buildings on the Robert Haley farm east of Amboy, south of Dixon, were destroyed in two mysterious fires yesterday. The house burned early Friday morning and at night the barn and other buildings were discovered in flames. Officials declare there are indications of incendiarism. Considerable live stock, machinery and all of the household goods were burned.

WILMINGTON, Del., Feb. 18.—The first woman's fire company in Delaware has been organized at Holloway Terrace, with 10 charter members. It is an auxiliary of the men's volunteer company and was organized as a protection in case of fire when the men are away at work.

The women said they expected to assume all of a fireman's duties, from scaling a ladder to handling a line of hose.

## SEVEN THEATERS ORDERED CLOSED IN WASHINGTON

New National and Poli's are Numbered Among Them

(By The Associated Press)  
WASHINGTON, Feb. 18.—Seven theatres including the new National and Poli's two of the principal play houses in the national capital, were ordered closed tonight by the board of commissioners, the governing body of the District of Columbia.

The order was issued after an inspection of play houses in the district had been completed by a board of five engineers. The inspection grew out of the recent collapse of the Knickerbocker theatre which cost the lives of 98 persons.

Other theatres closed were the Metropolitan, Columbia, Maryland and Foraker, motion picture houses, and the Cosmos vaudeville and motion picture. The Metropolitan and the Columbia are two of the larger downtown theatres. The former is owned by the Crandall company which also owned the Knickerbocker.

The report of the engineers was that the order was issued was not made public but members said that "in most cases" structural weakness and inadequate fire protection had been disclosed by their investigation.

## RECOMMEND MORE HOSPITAL SERVICE

(By The Associated Press)  
WASHINGTON, Feb. 18.—Detailed recommendations for additional government hospital construction for former service men framed by a conference of specialists on mental diseases were made public tonight by the veterans' bureau. The proposed program would include a total of 12,000 beds needed for the care of mental patients.

Construction of a new institution of 500 beds to be increased later to 1,000 beds, in District No. 7, comprising Ohio, Indiana, and Kentucky was recommended. Disapproval of the use of the hospital at Maywood, Illinois, was expressed and a new hospital of 1,000 beds was urged for District No. 8 comprising Michigan, Illinois and Wisconsin.

A new hospital of 500 beds to be increased to 1,000 beds was urged for District No. 9, comprising Iowa, Missouri, Kansas and Nebraska, to replace the present institution at Knoxville, Iowa.

The program was said to be under consideration by the bureau which was made the action of congress upon pending legislation to provide \$16,000,000 for further hospital construction.

SPRINGFIELD, Ill., Feb. 18.—Disbarment proceedings brought against J. Frank Lasley, lawyer of Peoria, was argued before the Supreme Court this morning. Lasley is accused of various irregularities by the Peoria Bar Association.

SPRINGFIELD, Ill., Feb. 18.—A writ of certiorari was denied by the Supreme Court this morning in the case of John Wendzinski against the Madison Coat company, of Madison county. The company appealed from a \$16,500 verdict granted Wendzinski for injuries, suffered while at work.

SPRINGFIELD, Ill., Feb. 18.—Appointment of Frank F. Pollett as administrator of the estate of Sara A. Dupee of LaSalle, who died February 20, 1920, will be reviewed by the Supreme Court. Pollett was appointed after the heirs of Mrs. Dupee had asked that Frank W. Dupee, her son, be named. Her estate included \$8,000 real estate and \$500 personalty.

WATERTOWN, N. Y., Feb. 18.—Telegraphic communication over the wires along the New York Central Lines between here and Syracuse was cut off today when fire followed a freight wreck near Pierrepont. Manned by the New York Central, a railroad bridge at the scene of the wreck, 20 miles south of here was reported on fire. Details of the accident were lacking, but it was understood that several cars had been burned after a rear-end collision.

## EXPECT HOT DEBATE ST. LAWRENCE GREAT LAKES WATERWAY

Annual Meeting Will Be Held in Washington March 1 and 2

(By The Associated Press)  
WASHINGTON, Feb. 18.—Debate on the St. Lawrence Great Lakes waterway project at the annual meeting here March 1 and 2 of the national Rivers and Harbors Congress, "will not be lacking in animation," according to an advanced statement on the meeting issued today by the congress.

Congressman Allen of Kansas, and Miller of New York, will be two of the principal figures in the discussion.

Indications were contained in the statement that an attempt might be made in the congress to break the long standing rule against the expression of opinion as to any certain project. "Some of the ardent opponents of the St. Lawrence river project," the statement said, "are now planning to secure by a flank movement what cannot be obtained by a direct assault. They will argue first before the committee on resolutions and if unsuccessful then upon the floor or the convention when the resolutions are considered that the congress ought not to neutral on a proposition to expend United States funds on a waterway a portion of which lies in a foreign country and they will urge the passage of a resolution demanding that United States money shall be spent only for the development of waterways within United States territory."

The advocates of the proposed ship canal will declare that such a resolution while it does not specifically name any waterway, would be if passed, understood by everybody as putting the congress on record as opposing the development of the St. Lawrence route and would be, therefore a violation of policy which has continuously been maintained by the organization since it was formed.

## NEW OFFICIAL SETS FORTH RULES

(By The Associated Press)  
CHICAGO, Feb. 18.—Minimum amount of talk, maximum amount of action—that's one of the chief rules to be observed in cleaning up a city, the Rev. John Williams, recently appointed law enforcement commissioner, said today in posting the rules of his office. The eight rules are:

- 1.—Waste basket for anonymous letters.
- 2.—Minimum amount of talk; maximum amount of action.
- 3.—Partisan politics unknown.
- 4.—Sectarianism unknown.
- 5.—Justice the goal.
- 6.—Americanism the standard.
- 7.—Results only for publicity.

## MASKED BANDITS ROB EXPRESS CAR

(By The Associated Press)  
ALAMOSA, Colo., Feb. 18.—Two masked men robbed the express car of an eastbound Denver & Rio Grande western train about two miles east of here tonight, shot Messenger Gomez when he resisted and escaped. Gomez is thought to be seriously injured.

The amount of the loot taken by the robbers is unknown.

The bandits, after shooting Gomez, hurriedly filled their arms with packages, pulled the bell rope, latched off when the train slowed down and disappeared. A posse under Sheriff Baumbester has started in pursuit.

## ATLANTIC COAST TO FEEL EFFECT OF CUT IN NAVY

Denby Will Maintain the Navy Afloat if Possible

(By The Associated Press)  
WASHINGTON, Feb. 18.—Members of congress have gained an impression at the navy department, it was learned today, that under-Secretary Denby's announced policy of concentrating efforts on maintenance of the navy afloat, the shore establishment particularly along the Atlantic Coast would be first to feel the effect of reduction of naval appropriations for next year, to \$250,000,000 or less as has been suggested in the house naval committee hearings.

Mr. Denby asked for \$350,000,000 to keep the fleet at the five-five-three ratio strength provided for under the naval limitation treaty.

The secretary's purpose to make the fleet his first consideration caught the attention of congressmen from navy yard states and districts. They have inquired just what yards might be abandoned should the indicated slash in funds be made. They were told no definite plans had been laid. It was said to be obvious from a military view that only two Atlantic yards, New York and Norfolk would be regarded as vitally essential to the present Atlantic fleet.

The question of personnel figures in the problem because, roughly two men can be maintained afloat for every man held ashore. Thus, it takes one-third of the enlisted force to keep up the purely military tasks ashore upon which the success of the fleet depends. The civilian employees, the yard mechanics and others, are in addition to this enlisted force ashore.

Put 100 Destroyers Out.

Secretary Denby's suggestion that by putting 100 destroyers out of commission and reducing complements on many active ships to a point which officers declare will work against their efficiency in both up-keep and handling it would be possible to keep the navy going with 90,000 men.

A reduction of 10,000 means a floating navy of about 60,000 men. This is declared to be the minimum necessary to keep even a semblance of the five-five-three ratio strong afloat.

The situation thus pictured and which is understood to have prompted the administration to abandon any thought of getting down to the 80,000 enlisted figure in present world conditions is believed to have been laid frankly before members of congress by department officials whenever the opportunity presented itself.

Navy men have encountered what they describe as a deeprooted misapprehension of the real effect of the naval limitation treaty.

They have endeavored to show that the reductions made under the treaty are almost wholly in future ship strength and not in existing forces.

## REPORT MEXICANS IN COLUMBUS, N. M.

(By The Associated Press)  
COLUMBUS, N. M., Feb. 18.—While apparently no organized force has crossed from the United States into Mexico in this vicinity recently, patrol guards have reported to commanding officers at Camp Furlong here that at least 100 Mexican strangers in Columbus have filtered across the border in this district. An influx of strangers into Columbus has been reported for several days.

These men have disappeared and are said to have crossed the line, according to reports to Col. J. C. Schofield, in command of the local post.

## AMERICAN VALUATION PLAN MAY RESULT IN SERIOUS DIFFERENCES

Likely to Cause Break Between House and Senate—Fordney Says if Senate Bases Bill on Foreign Values House Will Write New Bill—May be Put Up to President Harding

(By The Associated Press)  
WASHINGTON, Feb. 18.—A row between the house and senate over American valuation was forecast today after it became known that Republican members of the senate finance committee in rewriting the so-called permanent tariff bill had agreed tentatively on continuing the present principle of basing duties on foreign market value.

Chairman Fordney of the house ways and means committee declared that if this kind of a tariff measure was passed by the senate the house would write a new bill with an American valuation clause and "let the senate try again."

If this should happen, it was said there would be little prospect of a tariff bill at this session unless congress remained on the job thruout most of the congressional election campaign.

Declaring that the house ways and means committee had written a bill on the American valuation plan only after full agreement with all of the Republican members of the senate committee, except Senator LaFollette of Wisconsin, Representative Fordney said the abandonment of this principle by the senate committee majority was a thing the gentlemen of the ways and means committee would not have done without consulting the finance committee.

"If they send a bill over there based on foreign valuation," he added, "they may expect that it will be sent to the ways and means committee which will send back to the senate a bill also based on American valuation."

The valuation plan as framed in the house bill was abandoned by majority members of the senate committee who have been considering two plans, based largely on the recommendations of President Harding. He said regarding American valuation that there could not be "ignored the danger of such valuation," making American tariffs prohibitive.

May Be Put up to Harding.

In the light of the President's position it was suggested that in the event of a disagreement between the house and the senate on the valuation question the matter might be referred to the executive in an effort to bring about an agreement.

The senate committee majority began today the re-writing of the ad valorem rates in the Fordney bill on the basis of foreign valuation.

Senators said that many of the rates were being scaled upwards since the original figures were predicted upon an assessment of duties on the basis of the value of articles produced in this country comparable to those imported.

The valuation plan as tentatively agreed upon known as the Smoot plan, carries provisions designed to meet unusual conditions now existing in world trade. These provisions include proclaimed American valuation; flexible rates.

## THE WEATHER

Chicago and Vicinity.—Unsettled weather Sunday, possibly rain and continued mild temperatures; Monday fair and colder, fresh southerly winds Sunday shifting to north-west at night.

Illinois.—Unsettled Sunday, with probably rain and continued mild temperatures, Monday fair and colder.

Missouri.—Cloudy Sunday; somewhat unsettled in east portion; colder in northwest portion; Monday fair and colder.

Wisconsin.—Unsettled Sunday with rain or snow, warmer in east portion; Monday fair and colder.

Indiana.—Rain Sunday; Monday clear and colder.

Temperatures.

The current maximum and minimum temperatures as recorded Saturday were:

Jacksonville Ill.	44	54	37
Boston	36	36	25
Buffalo	34	40	14
New York	34	36	19
Jacksonville, Fla.	58	66	44
New Orleans	66	72	60
Chicago	36	42	36
Detroit	34	40	26
Omaha	48	54	32
Minneapolis	22	24	10
Helena	30	36	24
San Francisco	58	60	52
Winnipeg	12	12	12
Cincinnati	42	32	12

## CHURCH ELDER SAYS HE IS A SANE DRY

(By The Associated Press)  
ST. LOUIS, Feb. 18.—Irrving Mitchell, elder in a church which champions prohibition resigned today as a United States commissioner after 16 years' service because "of the over zealous manner in which prohibition agents and police raided private dwellings and homes in search of liquor law violations."

Mr. Mitchell who says he is a "sane dry" has refused to issue warrants in a number of prohibition cases.

Ex-Senator Sherman is said to be preparing to become a candidate for the governorship in 1924. His entry into the contest would at least make certain some rapid fire oratory throat the state.

Speaking of the \$150,000 salaries offered to members of President Harding's cabinet, makes the \$50,000 salary of the national baseball arbitrator sound small. Yet when that salary was fixed a

year ago the public thought it a huge sum.  
 Church people are sometimes discouraged over the religious outlook. Nevertheless, they should find cheer in the statistics which show an increase in church membership of 4,000,000 during the past five years in the U. S.  
 The miners, in insisting upon a six hour day, are alienating public sympathy and support. The average person will believe that the purpose is not to more evenly distribute work among miners but to make it possible for a larger number to secure the wages of an eight hour day, by working two hours less. The plan is based upon a fallacy.

The Quincy Herald insists that notwithstanding the arguments arrayed against municipal ownership by the Quincy high school debaters, that the water works in that city furnish an excellent example of what can be accomplished thru municipal ownership. This matter of the successful operation of utilities by cities depends, like other things, very largely upon who does the operating. Municipal operation by skilled and conscientious men.

not disturbed by politics, results in a good showing. When the opposite conditions prevail the results are also the opposite.  
 Now Herbert Hoover has been offered a position with a salary of \$150,000. President Harding evidently picks some valuable men for his cabinet advisers, and it is well to remember that there was opposition in some quarters to the appointment of Mr. Hays and Mr. Hoover. The president at least can have no fear that Secretary Mellon will resign to accept a larger salary, for money doesn't mean anything to Mr. Mellon. If it had, he would not have disconnected himself with a number of corporations to make it possible for him to assume his present arduous duties.

There may or may not be a miners' strike April 1. At any rate, many utility concerns are storing a four months' supply. The average consumer is much disturbed as he is secure in the thought that the strike will certainly be over before his fuel needs are at hand.  
 It is surprising that mine operators and miners do not rearrange their contracts in order to have the expirations take place in midwinter.

Farm women of Morgan county are talking about an organization for the joint offering of the farm products usually sold by the women of the farm households. Let us hope that while the corn acreage is being reduced, the farm women do not apply the same principles to the stocks of fresh butter and eggs.

There is plenty of local interest just now in building association systems of making improvements. Numerous inquiries are being made from day to day, both by possible investors in stock and applicants for loans. In these days of rigid state supervision and the interests of investors and borrowers are safeguarded. The tie is opportune for the development of the business of one or more of these concerns.

The resignation of Judge Landis from the federal bench was forecast several months ago when attacks were made upon the jurist for retaining his seat and serving as national baseball arbitrator at a salary of \$50,000. It is said that Judge Landis has found the work imposed upon him more than he can physically stand, and has thus been led to his present decision.

No doubt the resignation would have been made earlier but for his unwillingness to retire while under fire. The spectacular has had its place in Judge Landis' career, and he has been accused of loving the limelight. Nevertheless, he must be accredited with an absolute fearlessness and a most earnest desire to see justice done, no matter whether men of high or low estate appeared in his court. It will be a long time before another federal judge attains a place of such wide spread fame.

## CLUBS

Mrs. J. O. Vossler will be hostess to the Fine Point club at her home, 1215 West College avenue Friday afternoon.

The Ladies Aid of State Street Presbyterian church will hold an all day sewing Thursday at the church parlors.  
 Colles meeting of Ladies Aid of Brooklyn church Tuesday afternoon at 2:30 o'clock at home of Mrs. J. E. Bossarte, South East street. This is an important business meeting and members are requested to attend.

The College Hill club will meet Monday afternoon with Mrs. J. H. Dial, 517 South Diamond street.  
 The Reverend James Caldwell Chapter D. A. R., will hold a Washington Birthday celebration Tuesday, Feb. 21st, at 3 o'clock. The board of management will hold a meeting on Monday, February 20th, at two o'clock. Members please note change.

The Directors of the Morgan County Anti-Tuberculosis League will meet Monday evening, Feb. 20th, at 7:30 in the Chamber of Commerce rooms. Business of importance.

The Domestic Science Round Table of the Jacksonville Woman's club will hold their February meeting on Saturday afternoon, Feb. 25th, with Mrs. W. L. Alexander, Alexander apartments. The meeting will be in the nature of a colonial party.

The East Side Tuesday club will meet with Mrs. M. H. Donahue, Tuesday afternoon at 2:30.

The Wednesday class will meet with Mrs. Felix Farrell Wednesday, Feb. 22nd.  
 Mrs. Jessie Stevens has returned to her home in Moine, Ill., having spent the past three weeks at the bedside of her mother, Mrs. A. D. Fernandes on King street. Mrs. Fernandes is now much improved.

The Jacksonville Delphian Society will meet at the Public Library Monday, Feb. 20th, at 2:30.

The Household Science club will meet Tuesday, Feb. 21st, with Mrs. J. R. Davis on Webster avenue at three o'clock.

The Monday Conversation club will meet Monday with Miss Mary Johnston at the Woman's College.

## RECEPTION GIVEN AT WOMAN'S COLLEGE

Large Guest List at Mid-Winter Social Affair.

The reception given at Illinois Woman's college Saturday evening by President and Mrs. Joseph R. Harker was a very notable social event. Five hundred invitations were issued to friends of the students and the college. Many friends of the students from their home cities were present and the occasion was in every way enjoyable.

Receiving with President and Mrs. Harker were Miss Austin and Miss Neville. The reception room, the society hall and corridors had all been decorated for this event, ferns and spring flowers being used with artistic effect.  
 In the dining room Mrs. E. L. Kinney, Mrs. F. H. Rowe, Mrs. E. E. Crabtree and Miss Nellie Knoff poured. Assisting were Mrs. John R. Davis, Miss Anderson, Miss Johnson, Miss Miller, Miss Nellie Laughlin, Miss Powell, Miss Nellie Boyd, Miss Helen Merriman, Miss Winnie Wackerle, Miss Esther Davis, Miss Grace Tickle, Miss Harriet Whitner and Miss Margaret Sanders.

This was the first formal reception given by President and Mrs. Harker in the past five years, and the students and their friends thoroughly enjoyed this revival of a pleasant custom of long standing. Those who assisted in entertaining, in addition to members of the faculty were: Mr. and Mrs. F. H. Rowe, Mr. and Mrs. E. E. Crabtree, Mr. and Mrs. Paul Schmitt, Mr. and Mrs. Harry Anderson, Mr. and Mrs. William A. Fay, Mr. and Mrs. E. L. Kinney, Mr. and Mrs. Fletcher Blackburn, Mr. and Mrs. E. L. Pletcher, Mr. and Mrs. J. W. Walton, Mrs. Lillian Wood King.

## GAVE FINE PROGRAM AT ARCADIA

Children of Arcadia school gave a box supper and program Saturday evening. The event was largely attended and was in every way enjoyable. The program was given under the direction of Miss Nellie Smith, teacher of the school and was as follows:  
 Song—By school.  
 Pantomime, "Flirting Under Difficulties"—Hazel Lacey, Howard Lacey, Bertha Boatman, Richard Thompson and Theodore Thompson.  
 A B C Song—Little children.  
 Reading—Lena Mae Lacey.  
 Lincoln's Gettysburg Address—Everett Fisher.  
 Play—"Ain for Father" (a comedy of "colored folks.")  
 Characters:  
 Priscilla Ann—Hazel Lacey.  
 Polly Cressley—Dovie Smith.  
 Pamela Jane—Dollie Smith.  
 Pendleton Peppercorn—Theodore Thompson.  
 Augustus Tyler—Howard Lacey.  
 Song—Lena Mae Lacey and Mary Rachel Thompson.

## M. E. CONFERENCE HELD.

The quarterly conference of Hebron, Salem, and Shiloh churches of Jacksonville circuit was held at the Chamber of Commerce rooms Saturday afternoon. Rev. E. L. Pletcher, district superintendent, presided. Various reports were presented and were of a very satisfactory kind. Rev. P. J. Rinehart is the pastor.

## FUNERALS

Funeral services for William H. Jackson were held from Trinity church Saturday afternoon at 2:30 o'clock in charge of the Rev. J. F. Langton. Burial was in Diamond Grove cemetery the bearers being, Charles Cornick, H. M. Andre, J. A. Bellatti, E. A. Jenkinson, Frank J. Hehl and J. F. Shreve.

## Williams.

The funeral services for Judas Andrin Williams was held Saturday afternoon at 2 o'clock at the Berea church. The services were in charge of Rev. Mr. Betcher, pastor of the Ashland M. E. church. There was a very large attendance, a number of persons coming from Virginia, the former home of Mr. and Mrs. Williams. Music for the occasion was furnished by Mrs. Fred Sayre and Mrs. I. P. Yarbrough of Virginia and Rev. Betcher of Ashland. Beautiful use of Somewhere and Abide With Me, were very beautifully rendered, as well as Nearer My Go to Thee.

There were many beautiful floral offerings and these were cared for by Miss Iva Lancaster, Miss Tommie Votawier and Mrs. W. Robertson. The bearers were: Ryan Long, Frank Robertson, Henry Reiser and George Robinson. Interment was made in Berea cemetery.

## A LARGE SHIPMENT OF NEW PATTERN HATS FROM NEW YORK EXPECTED MONDAY AT HERMAN'S

## MATRIMONIAL

Best-Lawrence.

Announcements of the marriage of Henry Lambert Best and Miss Madeleine Alma Lawrence which took place in Danville Monday, February 13th, have been received by Mr. Best's friends here. He was graduated from Illinois college in the class of 1920 and is well known here. In his college life he was a prominent man and belonged to Phi Alpha society. He came there from Nokomis, Ill.  
 Mrs. Best is the daughter of Mr. and Mrs. Herman Lawrence of Danville, and is widely known in that city. Mr. and Mrs. Best will be at home in Rock Island, Ill., after February 21st, as he is in Y. M. C. A. work there in charge of the younger boys' department.

## WITH THE SICK

Mrs. Walter McCormick of Findley street, who has been very ill for several weeks is very slowly improving.  
 The many friends of John F. Best will regret to know of his continued illness. Mr. Staff's condition yesterday was far from satisfactory.

The Board of Bluffs made a business trip to the city yesterday.

FOR RENT—Large furnished room, modern, 357 West North St. 2-19-1f

## MERRITT BAND TO GIVE CONCERT

New Organization Will Make First Public Appearance—Is Composed of Young Men and Boys.

MERRITT, Feb. 11.—Merritt has for years been recognized as a band music center. The old band that was organized in 1912 was for a long time a popular aggregation and was in demand on occasions where hand music was needed. On various occasions it has been in Jacksonville.

Last summer the band was reorganized and a number of juveniles added to take the place of some of the older members. The teacher and director of the new band is Russell Harvey and under his direction the new band, which is to be known in the future as Harvey's Junior Band of Merritt, is making rapid progress.

For a number of weeks after reorganization all teaching was done, individually or in classes and the first ensemble rehearsal was in November. Since that time the members have been rehearsing regularly and have made such progress that they have announced their first public concert to take place at Merritt on next Wednesday evening, February 22nd.

This concert is attracting much interest for the members of the band are boys who have the reputation of doing things right what ever they undertake.

The ages of the members of the band range from 13 to 15 years and the average age of the boys is 14 years.

A good program has been arranged for the evening of their first appearance and in addition to the numbers to be offered by the band there will be other musical attractions and readings. Following is the personnel of the band:

Clarinet—Homer Campbell, Lee Berry, Roscoe Mawson, Wilber Jewsbury, Harold Hurlbrink; Cornets—Russell Nash, Robert Markille, Kenneth Morris, Saxophones—John K. Furry, Trombones—Ralph Heaton, Alex Berry, Harold Jewsbury, Alto, Roy Snow, Clarence Dunham, Mollie Rowe, Martell Hitt, Baritone, Clarence Jewsbury, Bass, Howard Hurlbrink, Drums, Orval Davis, Frank Snow.

In addition to the concert offering to be given Wednesday evening, there will be two readings by Miss Martha Lench of Winchester, two piano solos by Miss Cecilia of Winchester and a violin solo by Russell Harvey, the band leader.

## ARRANGEMENTS FOR BENEFIT TEA ALMOST COMPLETE

Plans are now practically completed for the tea to be given by the Domestic Science Round Table for the benefit of Oak Lawn sanatorium on Thursday, Feb. 23. The affair is to be given at the Elks Home, the use of which has been generously donated for this occasion.

A musical program is to be given during the afternoon including several violin selections by Miss Helen Sorrella. The committee in charge of this program includes Mrs. W. Barr Brown, Mrs. A. R. Gregory, Mrs. Abe Wehl, Mrs. Edward Bowe. The accompanist will be Miss Helen Ayers Bullard.

Round Table members and their friends who have not made arrangements to attend are asked to phone Mrs. Ben Lorton or Mrs. J. J. Reeve.

## About the Man from whom you buy your Investments?

Do you know that his reliability is unquestioned? Does his knowledge of your financial affairs enable him to advise you wisely as to the type of securities you should buy? Do you know where to get in touch with him immediately should questions concerning your investments arise?

If not, safeguard yourself by buying bonds from your banker.

We Invite You to Make Use of Our Investment Service

# Elliott State Bank

Your Weekly Savings Bank

**ABOUT** this time of the year the hat you got in the fall begins to look the worse for wear. Why not get a Cap to "fill in" until spring? Our Cap Styles are entirely different from the kind you usually see. Just take a glance at our window display—then you will know what we mean.

# John Carl, the Hatter

36 North Side Square

# Grand Theatre Now Strictly Legitimate House

The Grand Theater from this date on will be operated on a new plan, whereby it will drop the motion picture business and play nothing but legitimate shows—Big Road Attractions, Miniature Musical Comedies will play every other week with something new and different each night, and vaudeville will be played on Thursday, Friday and Saturday, every other week. However, a big Goldwyn feature will be shown in connection with the vaudeville only.

When nothing in the legitimate line is playing the house will be dark. For instance, Monday, Tuesday, and Wednesday of this week the house will be closed.

Thursday, Friday and Saturday vaudeville will be the attraction. The week of February 27th a high class musical comedy of 22 people, will be played, with nightly change of program.

Big internationally known road attractions such as "Irene," "Lea Dietrickstein," "Herbert's Greater Minstrels," and many others will be played at intervals.

We feel that owing to the unsettled conditions and the reorganization of the motion picture industry the public in general are more or less tired of pictures and the time is near when the legitimate shows will be the choice of the public as in the days of old.

# Watch Papers for Announcements

Don't forget, the Theater will be dark Monday, Tuesday and Wednesday of this week.

The Most Astounding, Fascinating, Sensational, Thrilling, Amazing Picture Ever Made—A Riot of Romance and Realism Routed from the Routine of a Reporter's Adventures

The city was shocked and panic stricken by a hair-raising mystery. The police were baffled. It was **SOME STORY**. The City Editor told the young reporter to—"GO AND GET IT" and after the most astounding adventures that ever befell one man HE DID!

MARSHALL NEILAN presents a sensational Mile-a-Minute Melodrama of Newspaper Life,

# Go and Get It

Featuring Agnes Ayres, Wesley Freckles Barry and Pat O'Malley

Dedicated to that great army of men and women from whom we hear so much and of whom we hear so little.

"Here's Your Gossip Factory and Here's Where You Part Your Lip."

The Most Sensational and Fascinating Newspaper Romance Ever Pictured.

Enthusiastically endorsed by all newspapermen who have seen it.

The romance and realism of a great daily newspaper faithfully screened.

One of the most fascinating mysteries the screen has ever produced.

What would you do if you were a newspaper reporter and the city editor, after informing you that three prominent men of your city had been found with their backs broken in a most mysterious manner, and told you to go and get the story—what would you do?

A gripping picture of the excitement, romance, thrills, danger and action of a newspaper reporter's life.

A picture that will startle the world wherever motion pictures are shown.

The most stupendous newspaper story ever told.

It tells a thrill laden story of every branch of a great daily newspaper from the press room to the headlines.

More thrills and laughs to each inch of film than any other pictures have in a foot.

Richard Standley and son, Glenn, were visitors from Joy Prairie yesterday.

## NOBBY HATS FOR SPRING WEAR AT HERMAN'S

## FINE PROGRAM AT WAVERLY CHURCH

Father and Son Banquet Held at Congregational Church in Waverly—J. S. Findley Main Speaker.

Waverly, Feb. 18.—The father and son banquet held at the Congregational church Thursday evening was attended by about eighty-four persons. Dinner was served at 6 o'clock and afterward came the following program, Thomas Gibson serving as toastmaster:

Invocation—Rev. J. A. Allen, pastor of the Baptist church.

Music by quartet.

Toast—"To Our Sons"—William Turnbull.

Response—Harold Gibbs.

Talk—"The Boy of the City"—Armin Wyle.

Talk—"Fathers and Sons as Partners in Agriculture"—Warren Monnet.

Talk—"Father and Son in the Home and the Church"—William Taylor.

Address—"Partners"—J. F. Findley, secretary of Jacksonville Y. M. C. A.

Reading—"Home"—Lawrence Hood.

Impromptu Talks—A. C. Moffit, Dr. Blair and Mr. Horstman.

Closing number—"Blest Be the Tie That Binds."

Among the guests were H. J. Rodgers of Jacksonville.

A chorus of more than 60 voices and an orchestra of 35 with talented soloists make possible the splendid program offered by the Illinois College chorus and the Conservatory orchestra next Tuesday night at State Street church.

BETHEL A. M. E. CHURCH STEWARDSHIP BOARD MET.

The No. 2 Stewardship board of Bethel A. M. E. church met recently at the home of Mrs. J. W. Wheeler on North Prairie street.

There was a business session followed by a social time. The next meeting will be held at the home of Mrs. Lucinda Allen on North Fayette street.

Attend midwinter concert of the Illinois College chorus and Conservatory orchestra, State Street church next Tuesday evening, tickets 75 cents.

OYSTER SUPPER AT FRANKLIN.

An oyster supper and social was given Saturday evening in Marquette hall by the Franklin Odd Fellows and Rebekah lodges. The members and their families were present in large numbers and they spent a very pleasant evening. An informal program had been arranged for the occasion.

Attend midwinter concert of the Illinois College chorus and Conservatory orchestra, State Street church next Tuesday evening, tickets 75 cents.

WILL BANQUET.

The Queen Esther Society of Centenary church will have a banquet Thursday evening at their regular meeting. Miss Florence Bentley is the leader of the meeting for the evening and Miss Garneta Selph will act as toastmaster.

Tickets for the midwinter concert of Illinois College chorus and Conservatory orchestra on sale at Brown's music store, 75c.

## ILLINOIS GRADS AT SEVERAL BANQUETS

This is the time of the year when the Illinois college alumni in various sections of the country plan to have their annual dinners. The New York society, always a very live organization, will have its annual dinner on the 4th of March at the Hotel Astor. The chief speakers will be Dr. Edward Capps '81, who will speak on the subject, "What Really Happened and Is Still Happening in Greece"; and Colonel Edward Clifford '96, assistant secretary of the United States treasury, who will speak on the subject, "The United States Treasury." The president of the New York society this year is Donald C. Catlin '88, and the secretary is Dr. Byron C. Darling '98. The New York dinner is always an affair of great interest to the eastern alumni of the college.

Invitations have also been issued for the annual banquet of the Springfield society of Illinois college alumni which is to be held at the Sangamo club on Monday, February 27th. Dr. Clifford G. Maxwell '08 is president of the Springfield society and the secretary is L. E. Stone ex '03.

The executive committee of the Chicago society is at work on its plans for the annual supper of that organization. The Chicago banquet will be held either on March 11th or 18th, probably at the University club of that city.

The Graham Hardware Co. has their big show window full of "Shady Lawn" Grass Seed. Garden and flower seed in packages; also a full line fresh bulk seed, and in their big store they also are showing some extra special values in the sale of extra heavy 14 qt. aluminum dish pan for \$1.89, and a 3 qt. heavy aluminum stew kettle with lid for 89c. Don't miss some of these bargains.

MURRAYVILLE MAN ILL.

Uriah Rimbly, an aged resident of Murrayville, is seriously ill at his home there and his recovery is doubtful.

ATTENTION K. P.

Members of Jacksonville and Favorite Lodges Knights of Pythias are requested to meet at Castle hall at 10 o'clock sharp this morning to attend Westminster church where the annual sermon to the order will be delivered by Dr. Thomas W. Smith.

THE COMMITTEE.

Ruel and Sam Challiner were Joy Prairie visitors to the city yesterday.

## FARM BUREAU NOTES

There was a goodly number of ladies met at the Farm Bureau office Saturday afternoon for the purpose of discussing the propagation of a better system of marketing farm produce. The subject is one that is interesting the ladies of the farms and under the leadership of Mrs. W. G. Wolf of the Zion neighborhood, the idea has been growing until at recent date there have been several meetings held at various points in the county to discuss the advisability of such an organization.

Saturday's meeting voiced the opinion that such an organization would be of great benefit to the farm women and would also be of interest to the town and city population, who would be glad to buy farm produce thru a well regulated market that kept quality the trade mark.

It was decided at the meeting to have representatives of the various farm women's clubs of the county to meet at the Farm Bureau rooms Saturday, February 26 to further discuss the subject. The meeting will be held at 2:30.

## LARD BARRELS For Sale—75c FEDERAL BAKERY 2nd Door E. of Journal

## WINCHESTER

Mr. and Mrs. Alonzo Ellis, Mr. and Mrs. J. H. Fox and daughter, all of White Hall, were here for the union services Friday evening.

The young ladies of St. Mark's church held a sale Saturday at the C. M. Danner store. The sale was well patronized and the young women realized a goodly sum to be added to their treasury.

Miss Margaret Priest arrived Saturday from Quincy for a visit with relatives.

Miss Elizabeth North left Saturday for Nebraska to visit her brother, Harry and family.

Mr. and Mrs. A. A. Curry of Pisgah were visitors here this week.

Mrs. George Angelo returned Saturday from Chesterfield where she has been visiting relatives.

The young ladies of St. Mark's church expect to give a dance and card party at Legion hall next Thursday evening, February 23.

The audience which was present at the union service last night was the largest Saturday audience of the series. Dr. Violette was in

better physical condition and delivered a splendid sermon from the theme, "A Christless World." Special musical numbers were furnished by Mrs. W. H. Knison, Miss Martha Higgins, Albert and David Buckley.

## PUBLIC SALE

At Lindsey farm, 4 miles E. of Jacksonville, 1/2 mile west and 1/2 mile north of Arnold Station.

FRIDAY, FEB. 24

Horses, mules, cows; about 20 head full blood Duroc Jersey brood sows, cholera immune, and bred to good boar; 25 head of fall pigs, and one herd boar, "Wonder 1 Am," No. 265,307; some corn, farm implements. C. N. KINNETT

## ANNOUNCEMENT

I hereby announce my candidacy for road commissioner in District No. 7, subject to the will of the voters at the election. George W. Willerton.

## WOODSON YOUNG PEOPLE ENJOYED SOCIAL

The Young People's class of the Woodson Christian church held their first meeting and social in the church basement Friday evening. There were about forty present and the young men of the Sunday school and church were the guests of the occasion.

The meeting was opened with the singing of "What A Friend We Have in Jesus." Prayer was then offered by Mrs. I. H. Fuller. After a song came a brief talk by the pastor, Rev. I. H. Fuller on the theme, "Some Great Questions and What Will Answer Them," the speaker stating that it is up to the young people to answer these questions. Afterward came an informal program of games and contests. In the heart contest prizes were won by Miss Alice Wild and Wilbur Taylor.

A social hour followed the program and at this time the committee served ice cream and cake.

Residence phone 367.  
Branch Office—Franklin, Ill.

LACK of appreciation of the need of making a will and then appointing a Trust Company as the executor, has been the cause of much serious trouble in hundreds of thousands of homes.

The most devoted husbands and fathers who wouldn't think of allowing any unnecessary discomfort to come to their loved ones, are suddenly taken away and their families are left to struggle with all the technicalities and intricacies of settling the estate.

Even where a will has been made, and an individual chosen as executor, complications may arise. The executor may be inexperienced or incapable. A trust company which makes the settling of estates an important feature of its business, is both experienced and capable. It offers the sure way to the carrying out of your every wish.

We shall be glad to talk over your problem with you.

**SOLDIER BONUS SITUATION HAS SIMMERED DOWN**

**G. O. P. Leaders Still Show Determination to Push Bill**

(By The Associated Press)

WASHINGTON, Feb. 18.—The soldiers' bonus situation has simmered down today perceptibly following the first reaction from President Harding's suggestion that the adjusted compensation be financed by a sales tax or that the enactment of the legislation be postponed. But there was no apparent slackening of the determination of Republican house leaders to pass the measure at this session.

Majority members of the house ways and means committee were called to meet Monday to tackle the whole problem again. They were expected to pass upon the legislative provisions of the measure before going into the question of ways and means of raising funds.

Proponents of a sales tax appeared to be confident that the Republican conference would decide on this form of taxation as a means of raising the approximately \$800,000,000 that would be needed to cover cash payments.

It was said that any sales tax adopted would not be a general one. A manufacturers' tax similar to that proposed by Senator Smoot, Republican, Utah, and rejected by the senate during consideration of the tax revision bill was one of the suggestions advanced. It was claimed that this tax at a rate of one percent would raise the amount of money required. Several other forms of a sales tax are known to be under consideration. Whether a bonus bill with a sales tax attached could be put thru the house still seemed to be a mooted question some leaders declaring that the question was one defying analysis at this time. Meantime, farm organizations continued their attack on this proposal.

**AMERICAN VALUATION PLAN MAY RESULT IN SERIOUS DIFFERENCES**

(Continued from Page One.)

ible rates within a radius of 50 percent of the figures fixed in the bill and a depreciated currency provision. There also are sections designed to prevent unfair competition in importation and discriminating against American foreign commerce.

It was said that a final vote on the Smoot plan was being delayed pending further information from the senate department as to whether the depreciated currency provisions would be in violation of the favored nation clauses of existing commercial treaties.

Under the other valuation plan duties would have been based upon the wholesale selling prices in the American markets of the imported article. This plan also contemplated the hoisting provisions in the Smoot amendments. Some proponents of the proposal tentatively agreed upon have argued that the present bill was designed as a permanent one and that it would not be wise to adopt a principle framed to meet existing conditions which might be removed in a few years.

**MUST BRING REFORM IN PUBLIC SCHOOLS**

MADISON, Wis., Feb. 18.—Lentuousness and luxury have come into the schools of the nation thru student dances which must be curbed if there is to be a solution of the moral problems of the country, Dr. Jay William Hudson, University of Missouri, declared today in addressing the Southern Wisconsin Teachers' association meeting.

"We have come upon a reign of moral looseness and debauchery," Dr. Hudson said. "If there is any solution for these problems it must come from the schools, the institutions that express the ideals of American democracy."

**DENY REPORT OF PROPOSED CHANGE**

ROME, Feb. 18.—With reference to a report circulated here that Cardinal Gasparri was to be replaced as papal secretary of state by Monsignor Cerretti now papal nuncio at Paris, a semi-official vatican statement today said:

"Such a report is absolutely unfounded."

**FILE SUIT ESTIMATE OF DUPONT INCOME**

PHILADELPHIA, Feb. 18.—Suits today were filed in United States district court against the estate of Alexis Dupont, a member of the Dupont family of Wilmington, for \$338,363 alleged income taxes on stock dividends valued at \$6,628,640 distributed by the E. I. Dupont Nemours Powder company in 1915.

**NEWSPAPER UPHOLD BY SUPREME COURT**

JEFFERSON CITY, Mo., Feb. 18.—The state supreme court today upheld a decision of the lower court in favor of the St. Louis Post-Dispatch in passing on the appeal of Senator A. S. Phillips of St. Louis, who had sued the Pulitzer Publishing company owner of the paper, for \$100,000 on the ground that the newspaper had printed libelous matter in July, 1920, connecting him with a referendum invoked against a bill passed by the state legislature.

Pagghies were the favorite instruments of the Ancient Greeks. It costs \$10 a month to have a telephone in a Japanese dwelling.

**DEMAND SIX HOUR DAY, FIVE DAY WEEK**

(Continued from Page 1)

tion of the scale demands the convention was ready to adjourn but disorder broke out as an attempt was made to report the official vote by which the convention refused to consider the appeal of Alexander Howat and other expelled Kansas miners for reinstatement in the union. The official vote rejecting Howat's appeal by a vote of 2,073 to 1,955 was read and disorder which subsided somewhat when Frank Farrington, president of the Illinois miners and the anti-administration leader announced that all Illinois delegates would hold a separate meeting here tomorrow afternoon.

Mr. Farrington did not announce the purpose of the meeting but some delegates who had supported Howat, talked of a "rump movement" within the union. Later Mr. Farrington said the meeting was for the purpose of electing the Illinois members of a wage scale committee.

Close followers of Farrington denied that any "rump movement" was contemplated.

The roll call, ending the convention consideration of the Kansas case was marked by the outbreak of disorder during the morning that blocked all action for a time, but quiet was restored by a speech of "Mother" Jones, a 32 year old union organizer, who beseeched the delegates to give respectful consideration to their officials who had expelled Howat, and that the convention settle down to its main work—the adoption of its wage policy.

President Lewis, after the sine die adjournment said "extensive efforts had been made to pack the convention so that it would overthrow the expulsion of Howat."

"The attempt to terrorize and stampede the convention failed miserably," he added. "The organization will now be able to go forward with its wage policies and apply itself to its proper affairs. I shall in a few days, issue another call to the operators of the central competitive field for a meeting at an early date to work out a wage agreement, if possible."

**OUTLINE STARTING OF ROOSEVELT ROAD**

Would Begin at Lake Front in Chicago Thence Thru Starved Rock and on Thru Peoria and St. Louis to New Orleans.

Chicago.—By the A. P.—Hopes of a Roosevelt road starting on Chicago's lake front and extending along historic Illinois trails to Starved Rock, thence along the Illinois River to Peoria, south to St. Louis and down to New Orleans, were outlined here recently by John E. Wilder, president of the Roosevelt Memorial association of Greater Chicago. Mr. Wilder spoke at a luncheon of the Chicago Press club.

Beginning of this tribute to Theodore Roosevelt has already been made. Twelfth street, in Chicago, has been renamed, widened and made a city artery 1 1/2 miles long. Now the great task before the memorial association is the erection of a suitable memorial right at the opening of the road, Mr. Wilder said.

For this the association has set a goal of \$250,000 and is having plans for a strong monument drawn, he reported.

The start of the road is directly east of the city market in Grant Park immediately on the shore of Lake Michigan, upon the threshold of our great city," Mr. Wilder said. "It is the proper marking of this spot which has been kindly set apart for the purpose by the South Park board of Chicago and the state of Illinois may be justly proud, but one which our entire country can commend."

"As I have done, of our splendid citizens who live upon Roosevelt road, what it means to them and to their children to write this illustrious name as their place of residence, and see how their eyes brighten and with what enthusiasm they commend our city council for its generous act in giving old 'mean-nothing' Twelfth street so great a name!"

**CHICAGO LIBRARY TO EXTEND WORK**

CHICAGO.—(By the A. P.)—With a library income of \$1,300,000 expected from the new library tax here, the Chicago public library expects to extend its work in all directions this year, Librarian Carl B. Roden reports. Retrenchment the past year forced a closing of 16 branches circulating 800,000 volumes.

Here are some of the features of last years work given by the librarian in his annual report:

Circulation of 1,422,677 volumes in business house and factory libraries, traveling libraries and collections in settlements, Sunday schools, community centers, camps and clubs.

Distribution of 1600 volumes to 15 summer camps in Illinois, Michigan and Wisconsin.

Deposits of books in 1850 rooms in 244 schools, amounting to 91,644 volumes, read 679,511 times.

The Chicago library's total circulation for the year was 7,472,768 books, drawn by 423,164 persons.

DIXON, Ill., Feb. 18.—E. C. Risley of Compton, this county, captain of the University of Indiana football team in 1920 and selection of all-conference tackle this year, who is also a veteran of the World War, today announced his candidacy for sheriff of Lee county. He is the candidate of the World War Soldiers, his backers announce.

**SUSPECT ARRESTED IN SPRINGFIELD STREET CAR HOLDUP**

**Carl Zubr, Thought Dead, is Said to Have Confessed**

(By The Associated Press)

SPRINGFIELD, Ill., Feb. 18.—Mourning as dead, when the body of a U. S. Marine was found recently in the Chicago river, Carl Zubr, of Springfield, is back in his home town tonight, behind the bars of the city prison. He confessed, police say, to holding up and shooting Melvin Walker, conductor of a one-man street car, last night. Walker is declared to be near death tonight.

With the arrest of Zubr, police started on a drive on all city dives to rid the city of suspicious characters. Forty four armed guards, all ex-service men, were also placed aboard the street cars to protect employees from the repeated attacks of last month.

Zubr's accomplice in the holdup, Demeter Youvensku, is also under arrest. Zubr's appearance brought to light the fact that his mother had applied for insurance money for his death after identifying a body found in the Chicago river. The policy was cancelled a few days ago.

**GUNMEN KILL ONE AND WOUND TWO IN CHICAGO STREET**

**Victim Believed Belonged to Some Secret Vengeance**

(By The Associated Press)

CHICAGO, Feb. 18.—Pouring a hail of bullets into a crowd waiting for a street car tonight, five unidentified men killed one man and seriously wounded two women. The dead man was believed to have been the victim sought by the assailants, the women having been accidentally hit.

As the panic stricken spectators fled in all directions the gunmen ran to a waiting automobile and escaped, leaving their three victims lying in the street. The only clue to the identity of the dead man was a card found in his pocket bearing the name "B. Coffard, Benton Harbor, Michigan."

The attack occurred on an outlying street during the evening rush hour and the police were unable to find any possible motive, altho expressing the opinion that the murder resulted from a vendetta or feud in one of the city's foreign districts.

**MRS. MATTHES TO MAKE ADDRESS MONDAY NIGHT**

Mrs. Lena B. Matthes will make an address at the Baptist church Monday evening, Feb. 20, on the present status of prohibition. Mrs. Matthes is a platform speaker of wide experience and has been prominent for years in suffrage and temperance work.

For several years she was a member of the board of directors of the Chicago dry federation, and was very active in the work prior to the passage of the 18th amendment.

The meeting is open to the public and men and women of all churches who are interested in prohibition and law enforcement are invited to be present.

**AMERICAN CARDINALS ASK CHANGES TO BE MADE**

ROME, Feb. 18.—The cardinals of the American continent have formally asked Pope Pius to alter the constitution of the conclave lengthening the period that must elapse between the death of the Pope and the convening of the conclave, in order to enable them to attend papal elections in the future.

The Pope has received the request favorably, and, according to reports in vatican quarters will extend the period from ten to fifteen days.

**GUARD BANKS LIKE U. S. DOES MAILS.**

CHICAGO.—(By the A. P.)—"Guard your banks like Uncle Sam guards the mails," says a bulletin just issued by the Illinois Bankers association, which urges bankers to obtain riot guns for protection.

"The feeling of compliance that some bankers have because securities are entirely covered by insurance and that actual loss thru a burglary, robbery or holdup will result in loss to the bank, has been the means, in some cases, of causing the banks to be an easy prey, and incidentally the increase in insurance rates," says the bulletin. "Obtain riot guns of the sawed-off shot gun, five shot variety and place them about your bank and other points of advantage in the community where you have friends that will use them."

"Remember, the mails are being guarded by the marines and no train that has been guarded by a marine has been molested, but there have been a number of criminals and others shot by the marines while attempting to ride the mail trains."

**CARD OF THANKS**

We wish to thank the many friends who so kindly rendered assistance and gave words of condolence in our recent bereavement and also for the profuse floral offerings.

Mr. and Mrs. Milton Williams and Family.

ROCKFORD, Ill., Feb. 18.—Howard Classon of Ottawa, Ill., is dead, and his brother, Ralph, in serious condition, the result of injuries received when their truck was hit by a Chicago, Milwaukee and St. Paul train on a crossing near Camp Grant, late yesterday afternoon.

**WOULD CARE FOR HOMELESS CHILDREN**

**Many Divorces Throw Well Born Children on World—Club Women Are Promoting Idea.**

Chicago.—By the A. P.—Establishment of educational homes for children of broken families was urged upon club women of Chicago here recently by Mrs. T. Vernette Morse in addressing the League of Cook county Women's clubs. Mrs. Morse declared that the divorce courts were turning out well born homeless children by the score who were in vital need of a home life they were not getting.

Club women, who already are doing large educational work, were the people to meet this need, Mrs. Morse said. They were able to supply the home touch, without which schools of this kind would be fruitless, she said.

With these homes education would be closely linked, she continued, and she advocated warm cooperation with the public school system.

Homeless children thus to be taken care of would be chiefly up to ten years in age, Mrs. Morse said.

"Out of something over 200 children from the broken homes of the middle classes that have come under my observation during the past year, only a very small percent have been cared for in normal American homes," Mrs. Morse reported. "Most of them have been placed in institutions, good institutions in their way but very far from being a home."

"What can be done for the

homeless children of this country? There is no avenue so well fitted to promote an educational movement for these children as the Women's clubs.

"Make for them educational homes. Be their friends, their alma mater. They would belong to your great home university. Through your efficient management they would have a social standing in the community. Such a movement would save the country millions of dollars."

Mrs. Morse spoke as chairman of the Cook County League's committee on unclassified education, bringing in its annual report.

**LOSES WIFE'S BODY, GETS DAMAGES**

New York, Feb. 18.—Charles Segrist won a verdict of \$2,500 against the trustees of St. Raymond's cemetery today for the loss of the body of his wife, who died in the influenza epidemic of 1918.

Jerry Ryan and son Sherman of Franklin were business callers in the city yesterday.

All other churches will hold the usual services, with more or less emphasis on Washington's birthday of next Wednesday, particularly at the Presbyterian church.

The revival in the Tabernacle Baptist church during the week will be continued over Sunday by Rev. Homer Evans. He is being assisted by Rev. C. E. Hudson of Nebo.

The decorations will remain in the First Baptist church over Sunday in view of the coming of the new pastor, Rev. L. E. Ellison who will reach here Saturday evening. The decorations were placed for the ladies class banquet Thursday evening, when Miss Pearl Mitchell's class entertained the class taught by Mrs. Laura Pritchett. Arrangements are being furthered for a visit to the Sunday school session by the men's class of the M. E. Sunday school, taught by Charles Marks, and they will be guests of the Wendell class inaugurating a new movement that will enlarge undoubtedly into a wider spirit of good will among the Sunday schools and Christian workers.

**IMPORTANT BUSINESS  
CHANGE IN MANCHESTER**

Ralph Curtis and E. A. Lashmet  
Purchase Store of J. M. Heaton  
—Other Manchester News of  
Interest.

Manchester, Feb. 18.—An important business deal has just been consummated, involving the general store of J. M. Heaton here. Ralph Curtis has purchased the dry goods department and E. A. Lashmet the grocery department. It is the intention of Mr. Curtis to add a stock of groceries. Miss Mina Greenwalt, who has been with Mr. Heaton for the past twelve years, will remain with Mr. Curtis and Guy Brown will also be employed in the grocery department.

Mr. Lashmet, who has been manager of the Heaton grocery department for the past fourteen years, will conduct the store with a full line of groceries. Mr. Heaton has been in the mercantile business here since 1869, and is now retiring from active business because of ill health.

**Birthday Surprise.**  
Mr. and Mrs. Charles Thady entertained a company of friends Friday evening in honor of the birthday of their son, John Thady. About twenty-five young people were present and they spent a very pleasant evening with games and contests of various kinds. The affair was planned by Mrs. Thady and her daughter, Miss Norma. Light refreshments were served before the guests departed.

**News Notes.**  
The Worth While girls of the Baptist church held a food sale Saturday in the Ruyle restaurant. A goodly sum was realized from the sale of eatables.

Miss T. M. Whitlock is on the sick list.

Several from here went to Roodhouse Saturday to attend the matinee and evening performance of "The Sheik."

Miss Eva Gunn, who has been seriously ill, is now gradually improving.

Russell Duncan arrived from New Windsor Saturday for a visit with home folks.

E. G. Saye of Jacksonville is in the bank here during the absence of E. L. Maine.

Mrs. Ethel Cousey and daughter Ruth are visiting at the home of Mrs. Rousey's mother, Mrs. Sarah Greenwalt, in Roodhouse.

The ladies of the M. E. church and Sunday school will hold a chicken pie supper in the Robinson building Saturday, Feb. 25.

**ATLANTIC FLEET  
AT GUANTANAMO**

Ready For Winter Maneuvers —  
Will Key Every Man Up To  
Highest Pitch of Efficiency.

GUANTANAMO Cuba.—(By the A. P.)—The Atlantic Fleet steamed into Guantanamo Bay and anchored off the naval base that for more than a score of years has been the winter playground and training camp for Yankee sailors. Here the gobs and their officers will remain until April, working a bit and having the play that keeps Jack a bright and snappy boy.

None of the sailors had put foot on land since January 3, when their ships went to sea for the annual cruise in southern waters, until launches came chugging to shore today. Admiral Hilary J. Jones, commander of the fleet, was waiting aboard his flagship Columbia in the harbor when the fighting craft plowed into the Bay from the Guantanyabo Gulf, 180 miles westward, where since January 10 everyone has been busy with gunnery exercises, engineering trials and torpedo firing.

The commander's aim to key up every man to their highest pitch of efficiency and fitness will be carried out here by torpedo practice, spotting, turret drills and night fire rehearsals aboard ship, while on shore baseball and other sports will give the sailors plenty of recreation.

Every goby is a man among men and men only from now until April. The station embraces 50 square miles in the Guantanamo valley along the Southern coastline of Cuba not far from the eastern tip of the island. Liberty does not mean a trip "to town," the cafes and theaters, but freedom to sport and play at outdoor games beneath a balmy sky. There is no "town to go to. Manzanillo is the nearest sizeable place of habitation and it is too far away for the sailors to visit while on liberty.

Led by the Wyoming, flagship of the battleship force, the war vessels that arrived today were the battleships Delaware, North Dakota, Florida, 18 destroyers eight submarines and their tenders, the ships of the train, Olympia, Brazier, Bridge, Contocook, Lulu, Prometheus, Proteus, Relief, Robin, Vireo. Later a squadron of airplanes will come from Pensacola, Florida.

Nearly all of the craft are undermanned. The remainder of the destroyer squadrons, with 50 percent complements, will remain through the winter at the Charleston base.

**POPULATION OF MEXICO 14,000,000**

Mexico City, Feb. 18.—The population of Mexico is a trifle more than 14,000,000, according to figures recently compiled by the census bureau which has just completed its enumeration. This represents a loss of approximately 1,000,000 since the last census was taken in 1910. The decrease is ascribed to emigration of natives and foreigners during the periods of revolution.

Officials here assert that there are now more than 4,000,000 Mexicans living in the United States.

CHICAGO, Feb. 18.—Fred Peterson was adjusting his tie in his room at a hotel here. The door was opened and a pretty young woman rushed in. Without a word she leaped at him, he told detectives, put her arms about his neck and gave a gentle bear hug. Then she ran from the room. A moment later Peterson missed his watch and eight dollars he had in his vest pocket, he said.

**MID WINTER CONCERT  
PROGRAM ANNOUNCED**

Conservatory Chorus and Orchestra Will Present Program at State Street Church Tuesday Night.

The midwinter concert given by Illinois College Chorus and the Conservatory of Music will take place in State Street Presbyterian church next Tuesday evening at 8:15 o'clock. The chorus will be conducted by Mr. Edmund Munger and Mr. Clayton Quast and the orchestra by Mr. W. E. Kritch. The midwinter concerts of the Illinois Conservatory of music are always events of great musical merit and interest. This year will be no exception and the program which has been arranged makes certain that the good record of the past years will be fully maintained.

Assisting the chorus and orchestra will be Miss Ethel Carter, soprano; Miss Josephine Conboy, soprano; Miss Ruth Melba Armstrong, contralto; Mr. O. Hackett Wilder, tenor; Mr. Clayton C. Quast, baritone; Mrs. Helen Ayers Bullard, organist and Miss Clara Smith, pianist.

As indicated the concert is to be given at State Street church and there will be no reserved seats. People of Jacksonville are familiar with the excellence of the work done by the chorus and the orchestra this year those who have heard the two organizations are especially enthusiastic.

There are more than thirty voices in the chorus and thirty-five in the orchestra. Mr. Munger, Mr. Quast and Mr. Kritch have been working very effectively with the organizations and the musical material available has made it possible to promise a concert program of unusual merit.

The program will be as follows:  
1—Suite for Orchestra, from "Sirurd Jorsalfar" . . . (Greig)  
a. Vorspiel (Introduction)  
b. Intermezzo (Borghild's Dream)

c. Huldigungsmarch (Triumphal March)

2—Chinese Suite . . . Irene Berge

a. To a Lotus Flower.  
b. Patrol of the Boxers.

3—Selections from the Ballet "Copella" . . . Delibes

a. Cardas  
b. Entr'acte et Valse

The Conservatory Orchestra—  
Intermission:—

4—Out of Darkness (Psalm CX-XX . . . Gounod

The Illinois College Chorus  
Miss Ethel Carter, soprano.  
Miss Ruth Melba Armstrong, contralto  
Mr. O. Hackett Wilder, tenor

Mr. Clayton C. Quast, baritone

5—Fair Ellen, a cantata . . . Bruch

The Illinois College Chorus  
Miss Josephine Conboy, soprano  
Mr. Clayton C. Quast, baritone

6—"Listen to the Lambs" . . . Dett

The Illinois College Chorus  
Mrs. Helen Ayers Bullard at the organ.

**THE CHURCH AND THE  
MOVIES**

Editor Journal:—

All thru the ages, men have been uneasy—sometimes thru envy and some times thru intolerance. As civilization advances we expect all mankind to advance, especially those chosen to high places as leaders. Thinkers, generally concede there is no peace for the world's ills and the present unrest except thru righteousness. And how pitifully this is abused sometimes.

In Saturday morning's Journal I notice someone attacking one church's method of helping mankind. He says one church has been guilty of encouraging the motion picture managers to petition the city council for a permit to open their theatres on Sunday. Now, I wonder if the person who wrote that item has ever been to the church that shows religious films and then listened to one of the sermons preached therefrom. No, I think not, for if he had he would be more tolerant and less inclined to knock.

Now, do you know there is a vast difference between commercial films and religious films and there is no similarity at all between the films shown in a church and the ones produced at the theatres. True, some people are attracted on Sunday night by pictures, but then when they have listened to a powerful sermon they go away much better than when they came—no good is ever lost.

Instead of seeing good in our fellow-workers, some think it best to condemn. There are too few people in the churches on Sunday anyway, and with the picture shows open there would be still less. Why can't Christian leaders be loyal to each other? The world's need today is not in sticking to our denominationalisms, but preaching brotherhood of men and Fatherhood of God. All labor troubles, all national and international troubles, in fact, all troubles of any kind will be solved when we teach and practice that wonderful creed. Then we will have no time for petty knocking.

—One Who Pleads for Christ-Like Christianity.

## DEFEATS JERSEYVILLE HIGH SATURDAY NIGHT IN OVERTIME GAME

**Jersey County Boys Lead at the End of the First Half 11 to 10 and Threw a Scare Into Coach Mitchell's Men—Work of Goebel and Daniels Featured the Contest**

Jacksonville High school scored its fourteenth straight victory at Jerseyville Saturday night but not until a five minute overtime period had been played.

The Jersey county boys threw a big scare into Coach Mitchell's men. At the end of the first half due to the excellent work of Daniels at forward Jerseyville was leading by a score of 11 to 10. Evidently Coach Mitchell gave his men a heart to heart talk between halves for they came back stronger in the second half.

However, they were unable to do more than tie the score when the final whistle sounded closing the half. In the five minute overtime period Jacksonville managed to cage a basket and make a free throw thus giving them the victory.

The game was one of the hardest Jacksonville has had this season. Jerseyville fought hard and showed great improved form over that displayed in the game here. Daniels at forward, played wonderful game for Jerseyville and made a total of 17 points. Eggehoff made the other points for Jerseyville.

Goebel was also going right last night and gave Daniels a close run for scoring honors. He scored six field baskets and three free throws for a total of 15 points. Hunter and Putnam scored the other points for Jacksonville. Putnam who has not been going good the last few games seemed to regain some of his old-time form.

Hunt and Arter played a good game at guard, but were unable to stop Daniels who they were able to keep the other Jerseyville men away from the basket. The game was an excellent one for the locals and should put them on edge for the Athens and Springfield games which promise to be the toughest of the schedule.

The score:

Jacksonville	F.G.	F.T.	Ts.
Goebel, f.	6	3	15
Hunter, f.	2	1	5
Putnam, c.	3	0	6
Hunt, g.	0	0	0
Arter, g.	0	0	0

### RIFLE MATCHES TO BE HELD AT CAMP PERRY

WASHINGTON, Feb. 18.—The National Rifle Matches at Camp Perry, Ohio will be held this year from September 2 to 28. It was announced today by the national board for the promotion of rifle practice.

Appointment of Lieutenant Colonel M. C. Mumma, U. S. A., as executive officer in charge of the meet this year also was announced today.

Colonel Mumma is now on duty at Iowa City with the University of Iowa.

### DECATUR SUBSCRIBES \$7,500 FOR BASEBALL

DECATUR, Ill., Feb. 18.—The committee of eight in charge of the sale of stock in the Decatur Fans Association made their first report Friday night and announced that \$7,500 had been subscribed. The remaining \$2,500 is expected to be disposed of before the meeting of stockholders on Tuesday night for the purpose of electing the board of directors.

## Illinois Stays in Race for the Title

URBANA, Ill., Feb. 18.—Illinois remained in the basketball championship race tonight by defeating Minnesota, 25 to 18 in a game featured by good work by the Indians. Captain Carney led the scoring with five baskets. Minnesota obtained only four baskets.

From the opening whistle to the final one it was a speedy clash between the two topnotch teams but the Gophers found great difficulty in counting field goals.

Seckerson scored 11 points for the losers. The Minnesota five's main defense crumbled before the attack of Carney, Popken and Potter. The half ended 16 to 5 in favor of Illinois. Seckerson having made all the Gopher points on free throws.

## NORTHWESTERN WON ITS FIRST CONFERENCE GAME

CHICAGO, Feb. 18.—Northwestern University won its first Western Conference basketball game tonight by defeating Indiana University, 25 to 21.

Captain McKenzie of Northwestern starred for his team by scoring 15 points. He made nine out of twelve possible free throws and shot three baskets. Northwestern's guarding was good and the Indiana players were kept from getting many shots at the basket but the offense was weak, many chances at scoring being missed.

Thruout the first part of the first half Indiana kept in the lead but two free throws and a basket were scored by the Evanson players just before the half ended. In the second half Northwestern took a big lead at the start and kept it.

Line-up and summary:

Northwestern	Indiana
Saunders, f.	Thomas and Crowe
Sherer, rf.	Sanford and Kranz
Holmes, c.	Bahr and Coffey
Patterson, lg.	Hause
McKenzie, rg.	Shoats and Aldridge
3: Sherer, 2: Thomas, 2: Franzen, 1: Hause, 2: Coffey, 2: Referee—Schomber, 1: Referee—Brown.	

## PURDUE DEFEATED CHICAGO 28 TO 16

LAFAYETTE, Ind., Feb. 18.—Purdue defeated Chicago 28 to 16 in a Western Conference basketball game tonight. The defense put up by Chicago against the conference leaders featured the contest.

Gullion, Purdue center and star basket shooter, was guarded so well that he had but one shot at the basket and missed. Howards, Purdue guard was the chief point scorer of the contest. The work of McGuire and Halladay featured for the visitors.

Line-up and summary:

Purdue	Chicago
Everman, f.	Hurlbert
Gullion, rf.	Halladay
Howards, lg.	McGuire
Miller, rg.	Romney
Field goals—Masters, 4; Everman, 4; Howards, 2; Halladay, 2; Romney, McGuire, and Stahr (sub for Hurlbert).	
Free Throws—Howards, 2 out of 16; McGuire 6 out of 11; Romney 9 out of 11.	

## White Sox Stays in Race for the Title

CHICAGO, Feb. 18.—The first contingent of Chicago White Sox players to go south for spring training left tonight in charge of Louis C. Barber, field secretary and former Texas ball player. Seventeen pitchers and catchers made up the party which will go thru several days of preliminary work at Marlin Springs, Texas.

## BRADLEY STEPS ON ILLINOIS COLLEGE

Visitors Run Over Blue and White in Second Half and Win 27 to 13—Illinois Fail to Score to Second Half.

After holding Bradley to a 14 to 14 tie score in the first half last night Illinois College suddenly lost the range of the basket and was unable to score even a free throw in the second half, losing the game, 27 to 14.

Bradley presented a fast team and one that played hard all the time. At the start of the game Bradley jumped into the lead and made seven points before Illinois broke the ice.

Then the Blue and White got to going and when the half ended had pulled to a tie with Bradley at 14 all. Illinois had clearly outplayed Bradley during the closing minutes of the half and seemed to have it on the visitors in condition and fans had a vision of victory.

But these dreams were rudely shattered a few minutes after the second half started. Illinois fought hard and held the visitors fairly well but were unable to hit the basket.

Time and again the Blue and White players had good shots only to miss. To make a bad matter worse neither Antrobus or Mellon could make a free throw. The visitors steadily piled up a lead of thirteen points before the final gun.

Bradley has a good basketball team but after seeing her play one wonders how she ever defeated St. Vinctors which showed much more class in the tilt with Illinois.

However, the visitors had good floor work and also played in excellent form and were able to get by the Illinois defense in the pinches. Rogers was the scoring star for Bradley with six field baskets and three free throws, one more point than the entire Illinois team made.

Illinois again displayed a weakness in basket shooting. The men passed well at times, tho showing a tendency to hold the ball too long, thus allowing the opposition to either block the pass or hold the ball for a tipup. It was not this that defeated Illinois, however, so much as inability to hit the hoop when the opportunity offered which was quite often during the game.

One of the bright spots in the Illinois play was the defensive work of Jones and Cully. The former especially played a good game and tho he was up against a hard combination his work kept the visitors from scoring many points. The score:

Bradley	F.G.	F.T.	Ts.
Siminski, f.	2	0	4
Hoswell, f.	1	0	2
Rogers, f.	6	3	15
Schaefer, c.	0	0	0
Manley, c.	2	0	4
Barrett, g.	0	0	0
Etienger, g.	0	0	0
Brewer, g.	1	0	2
Totals	12	3	27

Referee—Cook, Illinois Wesleyan.

## "BABE" RUTH WANTS INCREASE IN SALARY

NEW YORK, Feb. 18.—Babe Ruth has requested a salary "close to \$50,000" for 1922, Colonel Jacob Rupert, one of the owners of the Yankees declared tonight in announcing that the home run star was coming east next week to talk things over. Ruth is reported to have received \$25,000 last year.

Colonel Rupert indicated that "there was a chance" of Ruth getting more money as he considered him "a reasonable man."

### APPLEBY WINS FROM ARY BOS

PHILADELPHIA, Feb. 18.—Edgar T. Appleby, national champion of New York, tonight defeated Ary Bos, of Holland, European champion, in the international 18.2 balkline amateur billiard tournament, 300 to 218. The American showed better form thruout the match. Appleby's average was 10 to 28-28, and his high runs 83, 69 and 24. Bos finished with an average of 8 to 27 and had high runs of 52, 41 and 23.

### WHITE SOX PLAYERS LEAVE FOR SOUTH

CHICAGO, Feb. 18.—The first contingent of Chicago White Sox players to go south for spring training left tonight in charge of Louis C. Barber, field secretary and former Texas ball player. Seventeen pitchers and catchers made up the party which will go thru several days of preliminary work at Marlin Springs, Texas.

### PEORIA GETS COAST CATCHER

PEORIA, Ill., Feb. 18.—Walter Camden, catcher has been purchased from the Yakima, Washington, club of the Pacific Coast International League by the Peoria Three I League team. It was announced here today.

## Jacksonville High to Meet New Berlin First in Coming Tournament

Jacksonville High school tossers will meet New Berlin first in the district basketball tournament to be held at David Prince gymnasium in this city March 2, 3 and 4. Drawings for all districts were made yesterday afternoon at DeKalb.

Drawings for the Jacksonville district are: White Hall vs. Ashland. Waverly vs. Rushville. Griggsville vs. Virginia. Jacksonville vs. New Berlin. Franklin vs. Mercedosa. Chandlerville vs. Murrayville. Bluffs vs. Bath. Versailles vs. Williamsville. Chapin vs. Bye.

Jacksonville fans who today learned of the drawings for this district expressed belief that Jacksonville will experience no trouble in eliminating New Berlin's team in short order. The teams have not met this year, Jacksonville having hooked up with larger schools.

Tickets Season Price. The price of season tickets for the tournament this year will be the same as that of last year. The student tickets this year will be \$2.50 and for outsiders \$5, with the price

## SPECTACULAR WORK BEATS WISCONSIN

Michigan Goes Strong in Final Minutes of Play and Wins 18 to 17—Wisconsin Held Lead Most of Time.

ANN ARBOR, Mich., Feb. 18.—Spectacular team work in the final moments of play gave Michigan a victory over Wisconsin in a western conference basketball game tonight.

By close guarding the Badgers held Michigan scoreless from the field during the first half. This superiority, combined with erratic passing by the Wolverines kept Wisconsin safely in the lead, until Miller hit his stride. His field goal and ten free throws out of twelve attempts were largely responsible for Michigan's victory.

Taylor was the high scorer for the visitors, with a field basket and five free throws.

Line up and summary: Wisconsin, Position, Michigan, Position. Taylor, f. 15. Miller, c. 12. R.F. Kinsie, g. 10. Ely, g. 10. Williams, lg. 10. Rea, lg. 10. R.G. Baker, lg. 10. Scoring: Wisconsin, field goals, Gibson, 3; Caesar, 2; Taylor, 1. Michigan, field goals, Miller, 1; Ely, 1. Wisconsin, free throws, 5 in 7. Michigan, free throws, 10 in 12. Referee—Birch, Earlham.

## OLD TIMER GOES BACK TO BASEBALL

W. H. Watkins Played Ball in Early Eighties—Will Have Charge of Michigan-Ontario League.

PORT HURON, Mich., Feb. 17.—The thrill of bat against horsehide, of spikes gleaming in the sunlight as they go into the air for the slide at the plate and the musical creak of the turnstile of the grand stand have lured another former big league manager back to organized baseball.

W. H. Watkins, white haired and in the wrong side of sixty, after definitely quitting the game with the collapse of the Federal League, will have active charge of the Port Huron-Sarnia baseball club of the Michigan-Ontario league this season. He will pick the players and supervise the playing strategy of the team, as well as direct in the business end of the club.

Watkins sprang into prominence on the diamond when the Port Huron independent club which he managed, and on which he played third, won the worlds championship in the early '80s, winning all but one of the 56 games played on a tour of the country. He attracted attention in Detroit in the old National League and was made manager, winning the world's championship the only time the honor has gone to that city. Watkins' later activities were confined to the American association where he owned and managed at various times the Indianapolis and Minneapolis clubs.

The local franchise in the Mint League is held jointly by Port Huron and Sarnia and the club is believed to be the only one in the world representing two cities of different nations. Home games are divided between the two places on a basis of stock representation, a majority being played here where most of the stock is owned.

## JOIE RAY BREAKS ANOTHER RECORD

NEW YORK, Feb. 18.—Joie Ray, star middle distance runner of the Illinois A. C. broke the world's indoor record for 3,000 meters by running the distance in 8 minutes 31 2-5 seconds at the annual games of the Wilcothe Athletic association in Brocklyn.

## Basketball Results

Still College, 44; Jewell Luthers, 12. South Dakota State, 27; North Dakota Aggies, 19. University of Oklahoma, 29; Washington University, 26. Drake University, 34; Nebraska, 32. Wabash, 32; DePauw, 23. Iowa State, 17; Grinnell, 11. Cornell College of Mount Vernon, Iowa 38; Hamline College, 26.

## MILLIKIN HAS FAIR TRACK PROSPECTS

Wonder if They Will Condescend to Compete Against Illinois College in State Meet.

DECATUR, Ill., Feb. 17.—Track prospects at James Millikin university are "fair to good," Coach Norman G. Wann said here today, adding that he expects to have the best relay team this year that has ever represented Millikin.

Old varsity men around whom Wann expects to build his track team are Paul Bailey of Manistee, a sprinter, who has covered the 100 several times in 10 seconds; E. J. Sollers of Newman, Ill., shot putter and javelin thrower; Captain Orval Diehl, of Mt. Morris, Ill., a middle-distance runner and L. L. Brown of Rossville, Ill., a 440-yard runner.

From his new material Wann expects to strengthen the Millikin team with George Barnhill, of Herrin, Ill., who has consistently made over 22 feet in the broad jump; Oscar Anderson of Decatur, a javelin thrower; Jesse Birks of Harrisburg, in the 440; E. C. Seago, of Springfield, in the sprints and hurdles; C. McKelvey of Decatur, in the 220 and Harry Hodde of Springfield, in the 440.

Millikin's track schedule includes the Illinois Inter-collegiate meet at Monmouth, May 26 and 27 and the indoor meet at the University of Illinois, March 4. Several contemplated dual meets have not yet been arranged.

Millikin scored 12 points and ranked sixth in the I. A. C. meet last year; was defeated by Illinois college, 66 1-2 to 53 1-2 points lost to Knox by a score of 84 to 42 and won from Illinois Wesleyan, 70 to 50.

"Millikin expects to send a few men to the meet at Carleton college, Northfield, Minn.," Coach Wann said. "Millikin now belongs to the mid-west college conference and will be represented in all branches of sport on the schedule of member schools."

## M. AND O. LEAGUE TO OPEN EARLIER

FLINT, Mich., Feb. 17.—Opening of the Michigan-Ontario League season, May 2, a week earlier than usual, will find a majority of the clubs with new managers. Two of the new pilots are former major leaguers. "Bill" Powell, who not so long ago baffled American League batters, will manage the Flint team of which he is part owner. Bill Kelly, battery mate of Marty O'Toole, the meteoric star who flashed through the Pirates' sky several years ago, will manage the Port Huron-Sarnia club.

George H. Haines, until this year president of the league, will head the Hamilton club and Mickey DeLong, well known in Canadian baseball circles, will be responsible for Brantford's showing. "Punch" Knoll will be back at Bay City and "Boaz" Weisel, who twice in succession has piloted the London Tecumsehs to the pennant, will try to repeat. He will have to do it with virtually a new team, as he has wrecked by sale and trade the organization that won the championship in 1921.

## WAVERLY VICTORIOUS OVER DIVERNON FIVE

Slow Game Saturday Night Ends With Score of 37 to 9 in Favor of Waverly.

WAVERLY, Feb. 18.—The Waverly high school team defeated the Divernon players in a basketball game here Saturday night. The game was a slow one and Waverly ran up the high score without any trouble. Hull, of Jacksonville was the referee. A good sized crowd witnessed the game.

The score:

Waverly	F.G.	F.T.	Ts.
Alderson, f.	1	0	2
Loving, f.	4	3	11
Ashbaugh, f.	3	6	6
Harrison, c.	7	4	18
Newberry, c.	0	0	0
Taylor, g.	0	0	0
Hughes, g.	0	0	0
Totals	15	7	37

Divernon	F.G.	F.T.	Ts.
Henson, f.	0	0	0
Jones, f.	1	3	3
Kateley, f.	1	0	2
Davis, c.	0	0	0
Taylor, g.	1	0	2
C. Kessler, g.	0	0	0
W. Kessler, g.	0	0	0
Totals	3	3	9

## IOWA DEFEATED OHIO STATE 31-27

Iowa City, Iowa, Feb. 18.—Iowa University won its third straight big ten conference basketball victory tonight defeating Ohio State, 31 to 27.

The score at the end of the first period was 12 to 11 in favor of the Buckeyes.

Blair and Dudley starred for the Buckeyes while the local team displayed its best form of the season.

The second half was a duel between Shimek of Iowa and Dudley of Ohio State, their basket throwing shifting the tide of battle from one side to the other. Toward the middle of this period the smooth work of the Hawkeyes began to tell and the Ohio State defense craked, allowing Iowa to increase its lead material.

The lineup and summary: Iowa: Position, Ohio State: Lohman, f. 15. Dudley, f. 15. Greenspun, f. 15. Robinson, f. 15. Davis, f. 15. Young, f. 15. Substitutions—Blair for Davis; Taylor for Robinson; Frohwein for Shimek; Shimek for Frohwein; Bolton for Devine.

Field Goals—Iowa, Lohman, 4; Bolton, 2; Devine, 2; Bruggert, 4; Shimek 2 Ohio State, Dudley, 5; Blair, 4; Taylor, 2. Free Throws—Shimek 5 out of 9. Greenspun 6 out of 7. Cuming—Hodges of Dartmouth. Referee—Braser of Wisconsin.

## BEGINNING TO LOOK OVER DERBY ENTRIES

Much Speculation as to the Winner of Kentucky Classic—Morvich has Call at Present.

LOUISVILLE, Ky., (By the A. P.)—Turf followers already are speculating on the probable entries and are measuring the chances of those that have already been named for the forty-eighth annual renewal of the Kentucky Derby at Churchill Downs early in May. Morvich, the unbeaten two-year-old, at present has the call, because of his spectacular performances last year. Last season's crop of two-year-olds was mediocre, turf critics say, despite the fact that several good performers made their debut.

Reports from the East say that Trainer Fred Burlew is preparing the son of Runnymede for this greatest of American races. Turf authorities say Morvich stands out in the light over his prospective opponents, and that if he trains on, they declare he undoubtedly will be the favorite in the winter books.

There has not been a winter choice to win the derby since the filly, Regent, led all the way and won in 1915. Incidentally she is the only filly that ever won that classic.

### NEBRASKA WRESTLERS DEFEATED MINNESOTA

LINCOLN, Neb., Feb. 18.—The University of Nebraska wrestling team defeated University of Minnesota wrestlers this evening, 26 to 22.

ILLINOIS TRACK TEAM OVERWHELMED IOWA CITY, Ia., Feb. 18.—Illinois' well balanced track team won a big ten conference indoor track dual aet this afternoon over Iowa, 81 to 23.

### CARDINALS DEPART FOR TRAINING CAMPS

ST. LOUIS, Mo., Feb. 18.—Six members of the National League Baseball team tonight departed for the training camp at Orange, Texas. Others are expected to join this squad during the week.

### MONTICELLO WINS WISCONSIN B. B. TITLE

BELOIT, Wis., Feb. 18.—Monticello, Wis., won the state high school basketball championship today in a tournament held under the auspices of Beloit college.

## Dokays and K. C. In Final Game

## ROUTT BOARDERS WIN FROM SCOUTS

Defeated Murrayville Scout Team in Liberty Hall Saturday Night, 16 to 14—Routt Won in Closing Minutes of Play.

Routt Boarding School basketball five defeated the Murrayville Scout team in Liberty Hall Saturday night by a score of 16 to 14.

The game was fast and furious and it was not until the closing minutes of play that Routt forged to the front and won. McKavitt was the star of the Routt team scoring 12 of the 16 points. Woods and Myers were the stars for Murrayville scoring thirteen on the points out of the total of fourteen. Next week the boarders go to Murrayville for a return game. The score:

Routt	F.G.	F.T.	Ts.
C. Guinane	0	0	0
G. Guinane	1	0	2
B. Guinane	1	0	2
Godar	0	0	0
Smallwood	0	0	0
McKavitt	5	2	12
Totals	7	2	16

Murrayville	F.G.	F.T.	Ts.
Myers	2	2	6
Carlson	0	0	0
Woods	3	1	7
Cooper	0	0	0
Bosecker	0	1	1
Totals	5	3	14

Referee—Wagner.

## WORLD'S RECORDS GO IN SKATING CONTESTS

BINGHAMPTON, N. Y., Feb. 18.—Four world's records were shattered in the international ice skating championship races today.

Arthur Staff of Chicago and Edmund Lammy of Saranac Lake, skating a dead heat broke the two mile record of 5 minutes and 48 seconds by three full seconds. The former record was made 12 years ago by Lammy at a meet in Cleveland.

Staff broke his own record for the 440 yard dash by one fifth of a second skating the quarter in 37 seconds flat.

## PEORIA MANUAL WON TOURNAMENT

MACOMB, Ill., Feb. 18.—Peoria Manual defeated the Teachers' Academy basketball team 22 to 19 tonight in the finals of the seventh annual invitation basketball tournament at the Western State Teachers' College. More than 25 teams of Western Illinois participated. Macomb High and Gardner High were runners up.

### PENN TO SEND RELAY TEAM TO ENGLAND

PHILADELPHIA, Feb. 18.—Arrangements have been completed for the English trip of the University of Pennsylvania team to compete in the Oxford-Cambridge relays April 1. It was announced today.

The team will sail March 22, it is said.

### CHANCE DATE OF SKATING CHAMPIONSHIPS

CHICAGO, Feb. 18.—The date for the international indoor ice skating championship to be held at Milwaukee has been changed from March 6 to March 20-22. Secretary Edward A. Mahlike, of the International Skating Union announced today.

### JOHN SCOTT TRADED TO CINCINNATI

BOSTON, Feb. 18.—John Scott pitcher for the Boston Nationals, has been traded to the Cincinnati Reds for Pitcher "Rube" Marquard and Infielder Larry Kopf, according to a telegram received tonight from George W. Grant, owner of the Braves, who is in New York.

## White Hall Wins From Brighton High

White Hall, Feb. 18.—White Hall high continued its victorious march tonight when it defeated Brighton high by a score

S. S. Sheppard of Murrayville was a business visitor in the city Saturday.

### Public Sales Auctioneer

### WILL ATTEND BIG MEETING IN HOUSTON

Mr. and Mrs. Hutchens Will Go To National Convention of Brotherhood of Railway Firemen and Engineers.

Roadhouse, Ill., Feb. 19.—Mr. and Mrs. Hutchens will attend the national convention of the Brotherhood of Railway Firemen and Engineers and the Ladies' Auxiliary thereto at Houston, Tex. The two organizations hold their meetings in Texas City. Mr. Hutchens will represent the local lodge of B. of F. and E.

while Mrs. Hutchens was selected as the representative of the newly organized Ladies' Auxiliary. Postmaster W. C. Roodhouse who was critically ill with pneumonia and heart trouble for over a week has been much improved the past few days and is now on the road to recovery. His son, John, has been home from Illinois College to assist at the post office.

Mrs. Thos. H. Cobbs came from St. Louis last Friday to assist in the care of her father, Supervisor John Jones, who has been seriously ill. Hary L. Kelly of Peoria, was here Tuesday, Wednesday and Thursday conducting a school of instruction for Roodhouse Chapter Royal Arch Masons E. H. Husted, Lodge A. F. and A. M. will hold a school Feb. 22-23 and 24.

Mrs. Lena B. Matthes of Chicago will address club women of this community Monday at 7:30 p. m. at First Baptist church under the auspices of the Anti-Saloon League of Illinois.

### BIG ROAD MILEAGE TO BE OILED THIS YEAR

If present plans are carried out, about 200 miles of Morgan county roads will be oiled this year. This was the statement L. V. Baldwin, county superintendent of highways, made Saturday. The county board is planning to let the contract for the oil, the county itself will use and also for the oil to be paid for by the road district.

This plan of joint buying will be followed with the purpose of effecting savings. In fact, the purpose is to buy the oil thru the state department of public highways in conjunction with other counties.

The oiling plans here contemplate 100 miles of road to be paid for from the regular county fund and 100 from the road districts. It is estimated that to do this work probably will require 1-280,000 gallons of oil.

### FOR SALE Residence property, empty now; like new. Terms. C. N. PRIEST

G. L. Kimber was among the business callers in the city Saturday from Waverly.

### ANNUAL REPORT FOR WATER DEPARTMENT

Report in Detail of W. H. Cobb, Water Superintendent, is of Public Interest.

Mention was recently made of the annual report of W. H. Cobb, water superintendent, which has been placed on file. This report shows an increase in collections for the year by comparison with 1920 of almost \$11,000. The report in detail is a matter of public interest.

Your undersigned Water Superintendent of the City of Jacksonville, Ill., begs to submit the Annual Report for the year 1921, which is as follows, to-wit:

Total amount collected for year 1921	\$55,395.89
Total amount collected for water exclusively	53,857.42
Water sold and collected for in 1921:	
January	3,415.70
February	3,727.89
March	3,745.23
April	4,382.83
May	4,223.40
June	4,590.23
July	4,249.30
August	5,401.06
September	5,665.75
October	4,929.98
November	4,744.90
December	4,781.10
Total	\$53,857.42

Total number of consumers, 1760.  
All services metered except city buildings and Jacksonville cemetery.

The following are the amounts received for meters, taps, meter repairs and miscellaneous accounts:

Meters sold	\$ 1,150.55
Taps sold	101.00
Water repairs	182.81
Junk, J. Cohen & Sons	24.24
Lead and pipe sold to J. T. Walbridge	28.00
Labor by Jacksonville Ry. & Light Co.	17.00
Labor by Jacksonville State Hospital	7.00
Labor and material Jacksonville high school	45.00
Scrap iron H. P. Mohn	.60
Labor J. V. State Hospital installing meter	7.00
Labor Morgan Co. fair for laying pipe for water	31.50
Horse sold	50.00
1 spring wagon	10.00
Building sold N. end pump station	75.00
Junk sold to J. Cohen & Sons	62.81
Stove sold	10.00
1-6 in. plug J. V. Ry. & Light Co.	1.20
Total amount expended for postage and express	\$ 189.45

Total amount expended for postage and express, \$ 189.45

Paid to city Treasurer as follows:  
January ..... \$ 3,478.33  
February ..... 3,738.57  
March ..... 3,822.16  
April ..... 4,478.17  
May ..... 4,527.34  
June ..... 4,719.96  
July ..... 4,340.59  
August ..... 5,543.69  
September ..... 5,649.31  
October ..... 5,605.83  
November ..... 4,871.17

### YANKS and LEGIONAIRES

Forceful Facts Concerning the Interests of Former Soldiers, Sailors and Marines.

Pennsylvania has listed 7565 alleged draft deserters, of whom 187 are in Philadelphia. More than 25,000 soldiers of the Union and Confederate armies are buried in Arlington Cemetery.

Of the 551,000 men serving in the United States navy during the world war, 499,000 enlisted for sea fighting.

Officers in the British, French and Italian navies receive more pay than officers in the United States navy.

There are now 101,000 disabled American soldiers of the world war receiving vocational training in 500 schools and 7000 institutions.

One hundred and forty-seven chapters of the Red Cross of Texas are conducting active home service work for former soldiers and sailors.

General Nicolajeff, a former commander of Russian troops in France during the world war, is now engaged in driving a motor truck for a wholesale house in Paris.

Of the 1790 original plays published in Germany from 1913 to 1920, 155 were founded on incidents of the world war, while 18 others dealt with the German revolution.

The American soldier in Coblenz, Germany, receives \$35 a month, or 3500 marks. This amount is estimated to be the equivalent of \$3000 a year in the United States.

The American Legion Employment Bureau, of Louisiana, reports there is not one idle former service man in the state; the bureau having found work for every veteran seeking employment.

The total available man power of military age in the United States is estimated at 15,700,000; Great Britain, 25,000,000; France, 5,304,000; Italy, 5,063,000; Germany, 6,000,000, and Japan, 6,519,000.

Upwards of 27,000 Canadian war veterans have been settled on the land under the provisions of the Soldier Settlement Act. Of these, more than 21,000 have been granted Government loans totaling \$87,495,815.

The Federal Board of Hospitalization, a department conducted for the care and treatment of disabled world war veterans, is making every 200 patients, or almost to every 20 patients, or almost one attendant or assistant to each patient.

Former service men, who are members of the Philadelphia Lodge, No. 2, B. P. O. Elks, have organized the Elks' Legion of Honor. The purpose of the organization is to find employment for ex-service men who are members of the lodge.

Among the Americans who are members of the French Legion of Honor are: Brander Matthews, Adolph S. Ochs, J. P. Morgan, Bishop W. T. Manning, Charles M. Schwab, John Singer Sargent, Henry Morganthau, and George W. Goethals.

An international conference is planned, at which will be represented the United States, Great Britain, Japan, France and Italy. The purpose of this assembly will be to rewrite the laws of war for the submarine and other new agencies of attack on land and sea.

Comparing the weight of the equipment of the infantrymen of various countries, soldiers in the United States army carry the heaviest load—79 pounds, 10.7 ounces. The British soldiers carry 59 pounds, 6.75 ounces; German soldiers, 75 pounds, 5.6 ounces; French soldiers, 70 pounds, 11.2 ounces, while the Japanese carry but 54 pounds, 9.5 ounces.

The longest journey, covering 16,000 miles, for any of the American soldiers dead in France, is being made by the transportation of the remains of Private Sam Soo Hoo, who was killed in the Argonne. The body, taken from a military cemetery in France, was sent to New York for shipment to Hong Kong, China, the land of his ancestors.

The chevron insignia for non-commissioned officers in the United States army are: Lance corporal, one inverted V-shaped bar; corporal, two bars; sergeant, three bars; first sergeant, diamond mark under bars; stable sergeant, horse's head under bars; color sergeant, star under bars; battalion quartermaster sergeant, three horizontal bars; chief trumpeter, one bar and bugle.

Miss Julia Driscoll, a co-ed of the University of Pennsylvania, is believed to be the only girl student being sent through a big eastern university by the U. S. Government, as a result of disabilities incurred in the world war. Miss Driscoll, who served in the army nurse corps, became deaf from the continuous bombardments near the hospital in which she was working at the front.

The United States has a living "unknown" sailor. Enlisted as Harold Payton, which is believed to be an assumed name, this man suffered a fractured skull and subsequent loss of memory when the U. S. S. Susquehanna, to which he was attached, was torpedoed in 1918. He is still under the care of doctors at the National Military Home in Dayton, O., and will remain in their care until he is identified.

In the event of the passing of the Soldier Bonus bill, the American Legion has volunteered to co-

operate with the Federal Government in administering the law and, through its organization, to effect a saving amounting to millions of dollars in the cost of distributing adjusted compensation. The 11,000 Legion posts in almost every city and township in the nation will be placed at the disposal of the government.

### ESKIMO PIE

The candy way of eating ice cream. A food, not a fad. Buy it any place you see the sign, Eskimo Pie.

### GET YOUR

**FREE**

\$1.00 PACKAGE OF GENUINE YEAST VITAMINE TABLETS from your druggist today.

IF YOU ARE THIN AND EMACIATED AND WISH SOMETHING TO HELP YOU PUT ON FLESH AND INCREASE YOUR WEIGHT, Yeast Vitamine Tablets should be used in connection with organic Nuxated Iron. Without organic iron, both food and Vitamines are absolutely useless, as your body cannot change inert, lifeless food into living cells and tissue unless you have plenty of organic iron in your blood. Organic iron takes up oxygen from your lungs. This oxygenated organic iron unites with your digested food as it is absorbed into your blood just as fire unites with coal or wood, and by so doing it creates tremendous power and energy. Without organic iron in your blood your food merely passes thru your body without doing you any good. Arrangements have been made with the druggists of this city to give every reader of this paper a large \$1.00 package of Genuine Yeast Vitamine Tablets absolutely free with every purchase of a bottle of Nuxated Iron.

## HIGHWAYS BULLETIN POINTS OUT DETOURS ON ILLINOIS ROADS

**Small Gaps of Uncompleted Hard Roads  
is the Main Difficulty of Motorists—Many  
of These Sections Will be Paved This Year  
—East St. Louis - Jacksonville Route**

(By The Associated Press)  
SPRINGFIELD, Ill., Feb. 18.—Detours necessary in travelling the main highways in Illinois are pointed out, and chief features of the highways detailed in a bulletin just issued by the State Division of Highways. One main difficulty motorists experience, the bulletin says, is in passing thru towns on hard road routes.  
The bulletin follows:  
"A few short sections of unimproved road may be found on the completed system. These short unimproved sections are pending on account of right of way difficulties, railroad subways or overhead crossings. There are also a few villages, having a population of over 2500 that have not as yet completed all of their plans for paving their streets. Most of the small gaps, however, have been covered with cinders, shale or gravel and are maintained in such a way as to permit traffic to use the road at all seasons of the year. Most of the small gaps will be paved this coming year."  
"Chicago Wisconsin Road. There are no detours or gaps on the entire road from Chicago to the Wisconsin state line. Wisconsin has always improved the road from the state line to Milwaukee. The Lincoln Highway, Chicago to Fulton. This road is completed and no detours exist."  
"Chicago-Peoria East St. Louis Highway. This road is an improved excepting a seven mile gap between Spring Valley and Bureau. The detour at this point is well marked and traffic can, by going about ten miles out of the way, make the complete detour on a gravel road. It is therefore possible to negotiate this road at all seasons of the year. The pavement from Ottawa to La Salle on the south side of the river is now completed and open to traffic. There are no other detours on the entire road. There is, however, a short gap of one mile in length, between the south city limits of Carlinville. This section is now under construction but is open to traffic at all times."  
"Through traffic from Chicago to East St. Louis will find the road via the Dixie Highway to Marshall, thence the Old National road to East St. Louis to be about 19 1-2 miles shorter than the road through Peoria. The main Chicago-East St. Louis road will eventually be through Bloomington. A large portion of the road from Joliet through Bloomington to Springfield is now under construction. When this road is completed it will be approximately 30 miles shorter than the present road from Joliet to Springfield via Peoria, or approximately forty miles shorter than the Chicago East St. Louis road by the way of the Dixie Highway and the Old National Trail."  
"Old National Trail—East St. Louis to Indiana State line. This road is completed and can be used at all seasons of the year."  
"Dixie Highway, Chicago to Marshall. This road is now entirely completed and open to traffic. On account of the Vandalla Railroad constructing an overhead bridge about one mile north of Marshall, all traffic after February 16 should turn east near the Big Four Railroad subway about four miles north of Marshall; thence south to the Old National road; thence west about 1 1-2 miles to Marshall. This detour

## WETS IN MEXICO SHOWING ALARM

**Fear that Mexico City May Soon  
Go Dry—Place Restrictions on  
Saloons and Increase Liquor  
Tax.**

MEXICO CITY.—(By the A. P.)  
The wets in Mexico are frankly alarmed. They say there is a real possibility that Mexico City at least, may go "dry" before the end of the year and that if so, the next step would be to make the entire republic arid of alcoholic beverages.  
President Obregon does not say that he is a prohibitionist but within the past few months he has given his unqualified support to certain legal measures which aim to cut down drinking and eventually to put intoxicants under the ban.  
Saloons, clubs and cantinas have been put under more rigid restrictions and, only a few weeks ago, a presidential decree increased the federal revenue tax on alcoholic drinks 100 per cent. There are many rumors that these taxes will be automatically increased until they become prohibitive.  
Nation wide protest was heard several days ago when the newspapers said that President Obregon contemplated issuing a decree forbidding the planting and cultivation of the maize plant which is the basic ingredient of the most popular native drinks.  
The maize, which is a species of cactus, must be replanted every seven years and a decree prohibiting its cultivation would mean its extermination and with it the elimination of tequila, mescal and pulque, drinks of undisputed potency.  
Planters of maize rushed numerous petitions to President Obregon, pointing out that the plant is a part of the agricultural wealth of the nation in that it produces a valuable fiber, sugar, a base for paper and a medicine that is said to be a specific for kidney disease. It was also said that its spines, treated by an inexpensive process, make cheap and excellent phonograph needles.  
President Obregon has not yet issued the decree but the planters are still worried and so are certain other persons.  
The "wets" have held numerous meetings within past few weeks to organize their campaign against prohibition.  
Secretary of Interior Calles is coming in for a large share of the criticism for the "dry" wave, as he was a staunch "bone dry" advocate long before he left the state of Sonora, to take a cabinet position. Secretary of the Treasury de la Huerta is also a prohibitionist.

## WORLD WAR VETS ACT AS CONSTABLES.

INDIANAPOLIS, Ind., — (By The A. P.)—Ex-service men who once walked lonesome posts in cantonnments or patrolled outposts overseas have been called into service as special constables at Lincoln, Nebraska, according to word received by National Headquarters of the American Legion. The plan contemplates employment of veterans who are unable to find work. They are paid by subscription of the residents of the districts they patrol. Their duties are to watch for suspicious characters and guard against fires. The plan has been endorsed by a number of civic organizations.

## MEMORIAL FOR FORMER STUDENTS.

COLUMBIA, Mo., —(By the A. P.)—A campaign for \$500,000 to build the Missouri Union Memorial Building in honor of 87 former students of the University of Missouri who were killed in the world war will be held throughout the country February 25 and 26. Former students of the university residing in other states have formed organizations and will aid in the drive.  
The completed and is now opened to traffic.

## South Better in 1922 Says Babson

**Famous Statistician Sees Great Possibilities in Cotton Industry.**

Continuing his personal survey of business conditions of various parts of the country Roger W. Babson, economist, in this third exclusive article to the Jacksonville Journal outlines conditions in the south as follows:  
"Have travelled these last two weeks from Maryland to Florida and then westward thru Georgia, Alabama, and Mississippi. I left Washington in two feet of snow and arrived in Florida to find the roses blooming and the trees laden with oranges. Truly this is a wonderful country. Altho I have been to Europe many times I fail to see why any American has to go to Italy, France, or any other country to get fine climate. However, the purpose of this review is not to talk climate.  
"Conditions are surely better in the South Atlantic States than they were a year ago. At that time it was truly pitiful to see the distress among both the rich and the poor. Like an epidemic the business depression when it struck the south, showed no favoritism. Rich and poor, young and old were all hit together. Virginia, North Carolina, and northern Georgia show more improvement than does the rest of the south. The best cities for sales are Richmond, Va., Greensboro and Charlotte, N. C.; Charleston and Columbia, South Carolina; Columbus, Augusta and Atlanta, Georgia. Each one of them will show much better business in 1922 than 1921.  
"Florida is not included in the above list as—with the exception of the northern part—there has been no real depression in Florida. Florida were in the western part of the country should say it will surely be hit by the depression wave some time within the next two years. But considering the fact that the present depression started in the east and that the south has already received its blow, the southern part of Florida may escape this time without being hit. This, however, doesn't mean that Florida will always be immune from business depression. Some day there will be a real estate collapse in Florida just as there has always been in every state after a period of great prosperity. Central and southern Florida today, however, is one of the most prosperous sections of the country. It is truly a wonderful state with superb climate, a very strategic location, while its drained lands are wonderfully fertile. Florida would be the empire state of the union, capable of feeding the entire country if its soil were tilled efficiently. Why its people fail to grasp their great opportunity is beyond my comprehension. Miami some day will be a big city. Tampa has great commercial possibilities and some large places will also develop in the center of the state. The center of Florida with its high altitude, rolling country and vast quantity of lakes, lies almost unknown to the average American.  
"When a statistician visits the south he comes to the conclusion that cotton is a weed and not a crop. Cotton grows naturally and easily in the south as a weed would grow in the north. If the southern planter attended to his work as does the northern farmer, the south would be today the richest part of the country. The boll weevil which is fast making the raising of cotton unprofitable may turn out to be the south's best friend by forcing the southern planter to break up the land into small holdings and diversify the crop.  
"The south has many advantages over the central west. It possesses great natural resources such as coal and iron, unlimited water power, and splendid means of communication. In addition, the products will be in greater demand as the country becomes more prosperous. The per capita consumption of wheat, the main product of the northern agricultural states, does not increase much as the people become more prosperous. The demand for cotton, sugar, beef and legumes, increase very much with the prosperity of the country. As the people become better off they eat more vegetables and less corn bread and bacon. Hence, the great opportunity in the south lies in diversified farming, breaking up the large tracts into small farms, the introduction of good stock, and the planting of more legumes. Statistics show that with the finest agricultural opportunities in the country the south today does not even feed itself.  
"I am especially impressed with the religious interest found in the south. This shows that there is a good moral foundation upon which to build.  
"It is debatable as to whether at present the negro is an asset or a liability. Some good European immigration to teach him how to work efficiently and speed him up would help.  
"Besides stimulating the labor the soil must also be stimulated by the much more liberal use of fertilizer. Just now the fertilizer industry of the south is very

## BUILDING PERMITS SHOW AN INCREASE

**Illinois Department of Labor Says  
It Indicates More Favorable  
Conditions in Building Lines  
for 1922.**

Chicago.—By The Associated Press.—Building permits continue to make a favorable showing in the twelve Illinois cities from which reports are received by the general advisory board of the Illinois Department of Labor, according to the February "Employment Bulletin," of the board.  
"The largest percentage of increase for any of the cities in January was in Peoria, where permits authorized \$587,973, which was two and one half times the value of the preceding month's authorization," says the bulletin.  
"In Joliet, where no building permits are issued, the superintendent of the free employment office reports that additions costing \$50,000 are being made to the township high school and that work on three large buildings costing \$150,000 will be started in the early spring. Building permits for the twelve cities are about double in number and value of the same month last year."  
While the bulletin declared that "another month had passed without any substantial improvement in the volume of employment in Illinois industries" an increase of 15 per cent over the number employed at the end of December, was noted in January. This increase however, following three months of decline, accounted for by seasonable adjustments and the taking of inventories.  
The report continued:  
"In several minor industries considerable improvement is noted; but in the industries employing the largest number of workers, there has been no substantial progress toward betterment. However, there were no further reports of mines closed."

## SALE AND CARRYING OF ARMS SHOULD BE UNDER REGULATION

**President of the Chicago Crime Association  
Recommends This in His Annual Report  
—Says That There Are Too Many Loop  
Holes for Criminals in the Present Laws**

(By The Associated Press)  
CHICAGO, Feb. 18.—The sale and carrying of arms should in some way be regulated, Edwin W. Sims said in his annual report as president of the Chicago Crime Commission, a voluntary association organized by the Chicago Association of Commerce to aid in the suppression of crime and in the punishment of criminals.  
"Our forefathers, who ordained in the constitution that 'a well regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed,' never had in mind the depredations of the modern highwaymen and the high powered automobile," Mr. Sims said.  
In speaking of the congestion of the criminal courts, which he said largely was due to the increased activity and efficiency of the police in apprehending offenders, Mr. Sims said a remedy must be found at once, and suggested that final action be taken by the municipal court in all cases that may be disposed of there, the jurisdiction of the court being amplified if necessary.  
"It is perfectly obvious from a consideration of the records that many hundreds of cases where the defendant is bound over to the grand jury which clog the dockets of the Criminal Court and the State's Attorney, should be disposed of in the municipal court."  
In speaking of the work of the Crime Commission, which has been functioning three years, President Sims said:  
"Our problem is the reduction of crime and increased protection to the law abiding citizen and his property.  
"Crime flourishes because criminals escape punishment and criminals escape punishment when many avenues of escape are open and unguarded. The Crime Commission has located the loop holes in the law through which criminals escape and is watching these loop holes.  
"Escape resulting from the failure of the police to apprehend and arrest criminals has been greatly lessened, and the escape of criminals by means of straw ball has been substantially reduced.  
"Misarrange of justice as the result of continuance has been somewhat reduced, but is still a great menace.  
"A popular thoroughfare of escape still open and thronged with criminals whose hands are red with the blood of officers of the law and innocent citizens wantonly murdered is the insanity avenue.  
"The insanity craze has reached the limit. One unfortunate phase of the situation is that it is being popularized by officials and others who have become lost in a maze of theory."  
The Jacksonville W. C. T. U. will meet at the Old People's Home next Tuesday afternoon at 2:30 o'clock. A splendid program will be given.

## CELEBRATED HER 100TH ANNIVERSARY

Shawneetown, Ill.—By the A. P.—Mrs. Julia Wortman of Shawneetown celebrated her 100th birthday anniversary February 6. She lives with a married daughter Mrs. George W. Hubbard and is said to be in the best of health.

## NEW COAL TONNAGE RECORD IS MADE

Benton, Ill.—By the A. P.—The Franklin county mine recently established a new record for a day's tonnage hoisted out of the mine in seven hours. The mine is one of the newest in Southern Illinois having hoisted the first coal March 17, 1919. It employs about 700 miners.

## Three goals for 1922—Mrs.

Laura Miller, national director. The responsibility of the members of the W. C. T. U. in the coming election.

Evening—A dinner with Mrs. Culla Vayhinger and Mrs. Laura Miller as speakers.

Tuesday morning, 9:30, March 7.—Two contests, three minute speeches on law enforcement by members of the local unions represented and Why a W. C. T. U. Trio teams, both county and local.

Jubilee Fund—Mrs. L. Belle Goodman, state treasurer, Campaign.

The Need of the Immigrant Woman—Mrs. Culla Vayhinger. Reports of committees.

## ILLITERACY IS WORSE THAN BIGAMY

Moscow, Feb. 18.—(By The A. P.)—Political illiteracy is a worse crime than bigamy in Soviet Russia. Cupid's errors are painlessly, instantaneously and inexpensively cured by Bolshevik courts, but ignorance of Bolshevik laws is punished by sentence to courses in communist schools organized to enlighten those untaught in the ways of the Soviet Republic.  
Ivan Ivanovich Linsky was recently faced in a Moscow court by two wives and five children.  
"I didn't know that it was necessary to get a divorce and thought my living apart from my wife, whom I didn't love any longer, was proof that I didn't want her" was Linsky's defense.  
One woman was granted a divorce, and Linsky was instructed to enter the school for the liquidation of political illiteracy at the government printing office, where he will be taught that wives may be disposed of only by making declarations before a Soviet court that one does not want them and paying a fine of 10,000 rubles.  
It's much easier than the Reno treatment and Moscow should become a popular resort for mis-mated foreigners after Soviet Russia gets the recognition necessary to make Russian divorces waterproof abroad. There are no residence requirements and "difference of political views," is the ground on which many divorces are granted.  
Alimony has not yet come into fashion in Russia. Under the old communist ideal nobody had anything, theoretically, and everybody worked and was supported by the state. With the reversion to capitalists ways and the recognition of the rights of personal property, divorce proceedings may soon be tinged by mammon.

## Harry Petefish came in from Berberry Saturday to attend the hog sale and attend the other business.

## WHOM WILL YOU BLAME?

Whenever a man dies in this community and leaves his family without an adequate income to live on it is a direct reproach upon the life insurance men in this community. Ours is an unending task. Add to this prejudice and ignorance and you get an idea of our job.

When people understand that life insurance helps them to do in an easier way what they are trying so hard to do, they usually take advantage of life insurance.

There are THOUSANDS of ways to MAKE money but only ONE way for your family to collect the money you failed to make because of premature death, and that is through a life insurance policy.

Deaths occur as regular as clock work in this community. You know whether your estate will support your family or not without an insurance agent telling you. BUY your insurance; don't just have it sold to you.

Our experience as life insurance men is at your disposal without obligating you in any way.

### VETERANS FOREIGN WAR NEWS NOTES

**New York State Bonus.**  
Albany, N. Y.—The Veterans of Foreign Wars are working for legislation at this session of the legislature that will pay the Empire state ex-service men a bonus of \$10 per month before the close of 1922. The bill being drafted would impose a direct tax to raise the \$45,000,000 necessary for the adjustment of compensation. The idea is to avoid the wait that would be necessary if a constitutional amendment were to be put thru. The referendum on the bonus was passed by a large majority but was declared unconstitutional, making necessary the passage of new legislation before the payments are made.

**Few to Take Cash Bonus.**  
Washington, D. C.—Ninety percent of the ex-service men will take paid up insurance, home aid, vocational or land settlement instead of cash money, if the national adjusted compensation legislation is passed by congress. Officials of the Veterans of Foreign Wars here assert. The organization has asked its membership and all other veterans to notify their Washington headquarters as to which option is favored, so that the evidence may be submitted to congress. Thousands of men, less than half of them members of the organization, have joined a national committee to "educate" the other veterans to the advantages of the options other than cash. The veterans of Foreign Wars expects the passage of the national bonus bill in congress within the next 60 days.

**Des Moines Chamber Endorses Bonus.**  
Washington, D. C.—Joining the long list of Chamber of Commerce and other commercial organizations that have endorsed the bonus legislation before congress, the Des Moines Chamber of Commerce has gone on record with resolutions endorsing the bill. The Veterans of Foreign Wars and the American Legion have been active in support of the bonus legislation and the National Chamber of Commerce has been asking its various local units to express their views. Most of the local chambers have not gone on record for or against the measure, but some of the larger units, such as the Cleveland Chamber some time ago, endorsed the measure for the soldier relief.

**High Rent for Boston Offices.**  
Boston, Mass.—The Veterans of Foreign Wars here are excited over the discovery that the Veterans Bureau in Boston has been paying \$174,500 per year office rent, as revealed in congress by Representative Forthingham, of the Bay State. He charges the bureau with being "indefensibly extravagant," and suggests that more money be spent for the care of the disabled and less for rent. The state department of the Veterans of Foreign Wars plans to conduct an investigation of other overhead costs of disabled relief in Massachusetts. The organization, with headquarters in the state house, maintains a service bureau for its disabled member and assists them in getting their claims thru the bureau.

**New York State Bonus.**  
Albany, N. Y.—The Veterans of Foreign Wars are working for legislation at this session of the legislature that will pay the Empire state ex-service men a bonus of \$10 per month before the close of 1922. The bill being drafted would impose a direct tax to raise the \$45,000,000 necessary for the adjustment of compensation. The idea is to avoid the wait that would be necessary if a constitutional amendment were to be put thru. The referendum on the bonus was passed by a large majority but was declared unconstitutional, making necessary the passage of new legislation before the payments are made.

**Oldest War Veteran Dies.**  
New York, N. Y.—The oldest member of the Veterans of Foreign Wars, believed to have been the oldest veteran of the Mexican war, died here recently. He was Emanuel I. Oppenheimer, aged 101 years. His term of service started in 1846 when he enlisted and became a member of the personal body guard of Gen. Winfield Scott. Representatives of the Indian, Civil, Spanish American and World War attended his funeral. He was a member of Argonne Post No. 107.

**Will Decorate French Unknown Soldier.**

Washington, D. C.—The Veterans of Foreign Wars is arranging to bestow the medal and insignia of the order upon the Unknown French Soldier buried under the Arc de Triomphe, in Paris. Arrangements have been made with the French government for the ceremonies, which will take place July 4th, according to present plans, and a note of "heartfelt thanks and appreciation" from the French government has been received here by M. Jussard, and the French Ambassador, and presented to the organization.

**Oppose Army Cantonment Schools.**  
Washington, D. C.—The opposition to the establishment of vocational training centers at Camp Sherman and other abandoned cantonments has been strengthened by the action of the Veterans of Foreign Wars in joining with the disabled American veterans against the proposal and in favor of limiting the number of students at Camp Sherman to 500 instead of increasing the number to 5,000 as planned by the veterans bureau. After hearings be-

fore the house appropriations committee here, at which representatives of the organizations testified, a clause was inserted in the appropriation bill for 1922 prohibiting the bureau from using any further funds for the vocational centers.

**Expect Federal Bonus Soon.**

New York, N. Y.—National officers of the Veterans of Foreign Wars were elated here on receipt of news from Washington that the Republicans in the senate had agreed to pass a soldiers bonus bill at the present session and that only a handful of those present expressed themselves as opposed to action at this time. The veterans feel that the time is coming soon, the more than three years after the armistice, when their rate of pay will be adjusted by the federal government.

**One of the War's Greatest Heroes**

Boise, Idaho.—The newly elected commander of the Santa Ana post of the Veterans of Foreign Wars here, George T. Fleet, has the following war record, taken from official records: Enlisted in 1913, served on the Mexican border with 18th Infantry; went to France with the first load of American soldiers, arriving June 27, 1917; first wounded in action Oct. 17, 1917, and later wounded six other times and gassed twice. Was in all engagements with the first division, and rose from enlisted man to the rank of captain in the regular army on June 10, 1918. Decorated with the distinguished service cross, French Legion of Honor, French Croix de Guerre, and after the armistice hospitalized to the United States as a "nervous breakdown" and later retired April 18, 1921, for disability. He is now on active duty with the officers reserve corps here.

**Christmas in Hospital Was "Pretty Bad."**

Mount Alto, Pa.—Nine patients of the hospital here for disabled veterans have written to the Veterans of Foreign Wars and the Stars and Stripes describing the "blue and dreary Christmas" in the hospital and protesting against the stories in the newspapers describing the fine Christmas dinner and general enjoyment of the holiday. They tell of the men wandering aimlessly thru the hall and wards, depressed and discouraged. Most of the patients are suffering from tuberculosis and after the absence of holiday spirit on Christmas the nurses raised a fund among themselves and purchased the makings for a New Year's dinner for the 200 disabled patients.

**Indorses Woodrow Wilson Foundation.**

Bridgeport, Conn.—John H. Williams, department commander of the Veterans of Foreign Wars has called upon all posts and members of the organization in Connecticut to indorse and support the campaign for the Woodrow Wilson Foundation. He believes that the purposes of the foundation are to help bring about the ideals for which America entered the war and for which the men in the expeditionary forces fought. A number of prominent members of the organization in the state are on the committee having charge of the raising of the funds thruout Connecticut.

**New Posts Started.**

New York, N. Y.—New posts of the Veterans of Foreign Wars have been established recently at Pontiac, Mich.; Eau Claire, Wis.; Pelham, N. Y.; West Orange, N. J.; Baltimore, Md.; Wilson, Pa.

### WAVERLY FATHERS AND SONS BANQUET

Interesting Event Took Place at Methodist Church Friday Evening—Other Waverly News Notes.

Waverly, Feb. 18.—A Fathers' and Sons' banquet was held Friday night at the Methodist Church and Congregational churches served by the Ladies' Aid.

them in the open season a profitable

At first thought one would suppose that in this densely populated country, with practically all the land under cultivation, there would be little or no breeding ground for such animals to live and propagate. However, such is not the case and there are many thousands of dollars of commercial pelts taken every season.

Jacksonville has three firms who buy these furs and a talk with these dealers recently divulged the fact that over ten thousand dollars worth of furs were marketed here the past season and more than seventy-five percent of them were caught in Morgan county.

Of the fur bearing animals that are found the skunk and muskrat are the more common. However, there are many mink trapped. Raccoon and opossum are also quite plentifully and a few red fox.

All these animals are wary and cunning, nature having given them a highly developed caution, but the superior knowledge of man to study their habits and whims and how to tempt them into the traps, makes the taking of them a comparatively easy matter.

That they are reasonably plentiful is affirmed by the fact that there were 295 muskrats caught the past season by one person. Charles DeFrates, from all records at hand, holds the reputation of being the pennant winner in taking pelts. Mr. DeFrates, in addition to the muskrats, caught 135 skunks, 5 raccoons, 29 opossums and 14 ground hogs, the latter having no commercial value and having clumsily fallen into the traps. There are several others who hold nearly the record of Mr. DeFrates and it will be seen from the above that the taking of fur bearing animals in Morgan county is still one of considerable proportions.

The prices these trappers received for their pelts depends on the value of market quotations and the quality of the fur. Muskrat pelts brought all the way from \$1.25 to \$2.50, skunks from \$1.25 to \$5.00. There are four species of skunks found in this section, the solid black skunk being the highest priced pelt. Mink pelts brought from \$4 to \$15, and red fox from \$4 to \$10.

It may be interesting to know that there is a market for rabbit fur. It is sold by the pound and the price paid by Jacksonville dealers was five cents per pound. Charles DeFrates sold 1500 rabbit pelts but of course did not kill near all of them.

### NOTICE TO TAX PAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such persons." Parties paying on real estates should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

W. H. WEATHERFORD  
Sheriff and Ex-Officio  
Collector

### TWO ILLINOIS

#### COLLEGE DINNERS.

This is the time of the year when the Illinois College alumni in various sections of the country, plan to have their annual dinners. The New York Society, always a very live organization, will have its annual dinner on the 4th of March at the Hotel Astor. The chief speakers will be Dr. Edward Capps '87, who will speak on the subject "What Really Happened and is Still Happening in Greece"; and Colonel Edward Clifford, '96, Assistant Secretary of the United States Treasury who will speak on the subject "The United States Treasury." The president of the New York society this year is Donald C. Catlin, '88, and the secretary is Dr. Byron C. Darling, '98. The New York dinner is always an affair of great interest to the Eastern Alumni of the College.

Invitations have also been issued for the annual banquet of the Springfield Society of Illinois College Alumni which is to be held at the Sangamo Club on Monday February 27th. Dr. Clifford G. Maxwell, '08 is President of the Springfield Society and the secretary is L. E. Stone, ex '03.

The executive committee of the Chicago society is also at work on its plans for the annual supper of that organization. The Chicago banquet will be held either on March 1th or 18th, probably at the University Club of that city.

### RETURN FROM PEORIA.

Mr. and Mrs. Leo Johnson returned yesterday from Peoria, where they were in attendance at the 10th annual convention of the Victrola Company.

### RETURNS FROM CHICAGO.

T. M. Tomlinson returned yesterday from Chicago, where he attended the convention of the Illinois Retail Clothiers association. The local man was honored by being named president of the organization.

### FOR RENT

Office rooms in Scott Block.

### HINTS FOR CORPORATIONS.

Forms 1120 for reporting net income of corporations for the year 1921, now are available at the offices of collectors of internal revenue and deputy collectors.

The federal tax on incomes of corporations is divided into two parts, income tax and excess profits tax. The income tax on corporations for 1921 is at the rate of 10 percent of the net income subject to tax. For 1922 and subsequent years, as provided by the revenue act of 1921, the income (normal) tax, the corporation is allowed certain specific credits, which include (1) the amount of war and excess profits tax imposed by the United States for the same taxable year, and (2) interest received upon obligations of the United States and bonds of the war finance corporation which has been included in gross income. A specific credit of \$2,000 is also allowed corporations whose net income for 1921 was \$25,000 or less. Under the revenue act of 1918, this exemption was allowed all corporations regardless of the amount of net income. The act provides that if the net income is more than \$25,000, the normal tax shall not exceed the tax which would be payable if the \$2,000 credit was allowed, plus the amount of the net income in excess of \$25,000.

Excess Profits Tax. The excess profits tax is computed on the basis of the relation of net income to the invested capital of the corporation, as defined by Section 326 of the revenue act of 1921. This tax is in addition to the normal income tax of 10 percent. It is based on the net income above a specific exemption of \$3,000 and 8 percent of the invested capital for the taxable year, these amounts being known as excess profits credits. The rates are the same as for 1920, 20 percent of the net income in excess of the excess profits credits and not in excess of 20 percent of the invested capital of the taxable year (known as first bracket) and 40 percent of the net income in excess of 20 percent of the invested capital (second bracket). Invested capital for the taxable year is the capital actually paid in for stock outstanding, including the paid in surplus and earned surplus or profits earned to the taxable year, which have not been distributed.

The term "invested capital" does not include borrowed capital. Invested capital embraces two classes of assets; those known as "admissible assets" and those known as "inadmissible assets." Admissible assets are those which produce income that is subject to income tax. Inadmissible assets are those (other than obligations of the United States), which produce income that is exempt from income taxation. For example, cash, real estate, bills receivable and other tangible assets, which produce income that is subject to the income tax are admissible assets. Assets such as stocks and state or municipal bonds which produce income that is exempt from income tax are inadmissible assets.

Deduction From Invested Capital. The revenue act of 1921 requires that all corporations having inadmissible assets must deduct from invested capital "a percentage thereof equal to the percentage which the amount of inadmissible assets held during the taxable year." For example, the total assets of a corporation for 1921 was \$200,000, of which \$150,000 was in inadmissible assets and \$50,000 in admissible assets. The average invested capital was \$80,000. Applying the above rule, the invested capital must be reduced by 75 percent (the percentage of the inadmissible assets, \$150,000, to the total assets, \$200,000). The reduced invested capital, therefore, will be \$80,000 (the invested capital) less \$60,000 (75 percent of the invested capital) or \$20,000.

Where a corporation's income is reported on a cash receipt and disbursements basis, accrued items cannot be taken into consideration in computing its invested capital.

The payment of a stock dividend has no effect upon the amount of invested capital. The capitalization of current earnings does not increase the invested capital. Appreciation in good will and tangible property determined by an appraisal against which a stock dividend was issued cannot be allowed as invested capital. The value of tangible property paid in for stock or shares in an amount as limited by Section 326 of the revenue act of 1921 may be included in invested capital.

The revenue act of 1921 provides that every corporation, joint stock company, association and insurance company not specifically exempt shall file a return. There shall be included in the return a statement which will enable the commissioner of internal revenue to determine the portion of the earnings or profits (normal and excess) accumulated during the taxable year for which the return is made, which is to be distributed to its stockholders during such year.

A new and important provision of the revenue act of 1921 is that where a corporation is formed or availed of to prevent the imposition of a surtax upon its stockholders by permitting its profits to accumulate instead of being distributed as dividends, it may be subject to a tax of 25 percent in addition to the normal tax of 10 percent imposed on corporations.

The stockholders, however, may agree with the Commissioner of Internal Revenue that the profits of the corporation shall be charged to them in the same manner as the distributive share of the partners, and pay the tax as partners. When the corporation is a mere holding company or its profits accumulate beyond the normal

needs of its business, this shall be prima facie evidence of a purpose to escape the surtax. A reasonable accumulation of surplus, however, is permitted.

Returns must be filed with the collector of internal revenue for the district in which the corporation's principal place of business is located. Corporations must file their returns on the basis of their existing accounting period which is established as the 12-month period ending on December 31, or upon the last day of some month other than December. A corporation cannot change its accounting period without permission of the commissioner.

**Church Services Today**

Central Christian Church—Myron L. Pontius, minister. Bible school at 9:30 a. m. B. O. Roodhouse, superintendent. Morning worship at 10:45. Theme of the sermon "The Religion of the Hebrew Prophets". 7:30 is the hour of the evening service. Topic of Five-Minute Talk "Give the Farmer a Square Deal". Sermon on the theme "The Lost Centuries." Anthem by the church choir as follows: "He Shall Come Down Like Rain"—Dudley Buck, "Lead Kindly Light"—Van Laer. Mrs. Abram Weill will sing "Come Ye Blessed"—Scott at the moving service. Mrs. Carl Robinson will sing "A Song of Praise"—Huhn at the evening worship. C. E. Society meetings at 6:30. Miss Irene Teyman, leader of Junior service, Russell Cumming of the Intermediate and Miss Lucille Hunter of the Senior service. The public is cordially invited to all the services of the day.

The Salvation Army, 108 E. College street—Meeting for Sunday, Feb. 19, 1922: Sunday school, 2:30 p. m.; Young People's Legion, 6:30 p. m.; Evening service, 8:00 p. m. Also meetings through the week: Tuesday evening, 8:00 p. m.; Thursday evening, 8:00 p. m.; Saturday evening, 8:00 p. m. Our doors are open to all. Come, you are welcome. Lieut. L. E. Hall.

Salem Evangelical Lutheran church, College and East streets—Rev. J. G. Kuppfer, pastor. Sexagesima Sunday. Sunday school at 9:15. Public worship in English at 10:00 a. m. and in German at 11 a. m. English evening service 7:30. Morning subject, "True Disciples of Christ." Evening, "The Injunction of the Fifth Commandment." This church extends to you a cordial welcome. The Ladies' Guild will meet Thursday with Mrs. H. M. Brune, 815 North Main.

First Baptist Church—A special invitation is extended to all of the former members of the Baracca class to attend Sunday school at 9:30 a. m. Something special is on. The third sermon on Stewardship will be preached by the pastor, at the morning service at 10:45 a. m. Rev. A. P. Howells will speak on the theme, "The Stewardship of Time." If you are on time you will hear some good music by the quartette. "The Sources of Happiness," will be the subject of both the Senior and Intermediate B. Y. P. U.'s at 6:30 p. m. At the evening service at 7:30 p. m. the pastor will continue the discussion of the morning, using however, the subject, "The Sunday Move of the Movies." The City Council says the fight is on. The Baptist church throws its hat into the ring on Sunday night. The pastor invites the movie fans if they care to come. All cards will be laid on the table, face up. A patriotic prayer meeting will be held on Wednesday at 7:30 p. m. Washington's birthday. The subject will be "The Religious Side of Washington's Life." Wear a flag and come.

Westminster Presbyterian Church, corner of Westminster street and W. College avenue—Rev. Thomas W. Smith, minister. Sunday school at 9:30 a. m. Miss Margaret Moore will have the College Students' class. Mrs. Stanley I. Davis will teach the Kindergarten class at 10:30. At 10:45 the morning worship will be held. Both lodges of the Knights of Pythias have accepted the invitation to hold their anniversary church service at Westminster at this time. Dr. Smith will preach upon "The Love that Heals." Miss Louise Miller will bring her choir from the Illinois Woman's College to take part in the

State Street Presbyterian Church—Rev. W. H. Marbach, pastor; T. M. Tomlinson, S. S. superintendent; Mrs. Barr Brown, choir leader; Mrs. Helen Ayers Bullard, organist. Plan to attend church Sunday. Welcome here. A special Sunday school service will be held at 9:30 a. m. A Home Mission offering for the Point Barrow Hospital will be received. Morning worship at 10:45 o'clock and evening service at 7:30 o'clock, both under the pastor's leadership. Y. P. S. C. E. at 6:30 p. m. Come and bring your friend.

service and Miss Miller will sing a solo. A large attendance is expected. For the Knights of Pythias stand for a virile Christianity. At 7:30 p. m. the evening worship will be held, when a moving picture will be thrown upon the screen "Out of the House of Bondage"—depicting the youth of Moses and the escape of Israel from bondage. Dr. Smith will preach upon "Moses' Great Choice." At 6:30 the Christian Endeavor societies will meet having for a topic, "The Sources of Happiness"—John IV, 9-14; XIII, 12-17; XV, 11. On Wednesday evening the pastor will continue the study on "The Canon of Scripture," referring to George Washington's Use of the Bible. The Junior congregation rehearsal will be held at 6:45 Wednesday evening under the leadership of Frank Collins. On Monday evening at 7 o'clock Dr. Leonard Staff will meet the Boy Scouts in "First Aid."

Centenary Methodist Church—C. D. Robertson, pastor. Sunday school at 9:30 a. m. A. C. Metcalf, superintendent. Morning worship at 10:45 a. m. Sermon by the pastor. Subject, A Willing Man and a Willing Christ. Go to Church Club, a New Kind of Multiplication Table. Epworth League at 6:30, led by Miss Mabel Biggs. Evening worship at 7:30 p. m. The pastor will deliver the first of a series of story-sermons from Victor Hugo's novel, "Les Miserables." This is the story of a man who fought his way from disgrace and degradation back to respectability and honor in spite of the hindrances of the time in which he lived. It is a faithful representation of conditions as they existed in the part of the world where the scene is laid at the time of the story. The different episodes in the story will be used as the basis of a series of sermons which will make application of the story as illustrating the spiritual principles underlying them. The subject for this night is, "The Bishop's Candlesticks." Miss Grace Terhune will sing at both services.

The church where the folks are glad to see you welcome all strangers and all others who do not worship elsewhere.

Northminster Presbyterian Church—Walter E. Spooner, minister. Preaching at 10:45 a. m. and 7:30 p. m. by the pastor. The morning subject will be—"A Call to Do the Best Work." The subject will be—"A Quartet of Jacksonville Fools." Sunday school at 9:30 a. m. Let all the young people be at this meeting. Do not forget that our revival will begin the last Sunday in next month. Keep this ever before you. Our Every Member Campaign will take place the second Sunday in next month. Remember the Wednesday evening luncheon and prayer meeting. We expect 150 at prayer meeting next Wednesday evening. Will you be one of that number?

Congregational Church—George E. Stickey, pastor; Mrs. A. R. Gregory, choir leader; Mrs. G. E. Stickey, organist. Church school at 9:30. Dean G. H. Scott, superintendent. Dr. Post's Bible Class meets at 10:00. Morning service at 10:45 with sermon by the pastor. Christian Endeavor service at 6:30. Community Forum at 7:30. Mr. Euclid B. Rogers of Springfield will speak on "Washington and Lincoln." Mr. Rogers is well qualified to speak on this timely subject. Other appointments for the week are as follows: Monday, Junior Scouts at 4:00. Religious Education conference at 7:30. Tuesday instead of the regular social meeting the Ladies' Aid will hold at work meeting at the Pilgrim Memorial. Wednesday, the Boy Scout Troop No. 6, the Galopka campfire, 7:30 Prayermeeting. Thursday, the Okike campfire, Friday evening the Professional Woman's club meets at the Pilgrim Memorial. Saturday, Aokiya and Oceeca campfires meet. Boy Scouts at Illinois College gymnasium at 2:00. Library open 2:00 to 5:00. Choir rehearsal at 5:00. The monthly campfire party from 7:00 to 9:00, at which time the Oceeca campfire will entertain the other four campfires. You are invited to share in any of our services or activities.

Trinity Episcopal church — J. F. Langton, Rector; H. M. Andre, Senior Warden; Prof. J. G. Ames, Junior Warden. Sexagesima Sunday. Early service at 7:30. Sunday school at 9:30. Morning prayer and sermon at 10:45. Evening prayer and sermon at 7:30. Tuesday Guild all day.

First Church of Christ, Scientist, 523 West State street—Sunday morning service at 11 o'clock. Subject of the lesson sermon: "Mind." Sunday school at 9:30. Wednesday nesday evening testimonial meeting at 8 o'clock. The reading room is open each week day from 3 to 5 p. m. The public is cordially invited to attend the church services and to visit the reading room.

Brooklyn M. E. Church—G. W. Randle pastor; J. H. Reid, S. S. superintendent. Sunday school will be held at 9:30 a. m. Public worship at 10:45 a. m. and 7:30 p. m. The

pastor will preach at both services. Morning theme, Treachery of the Heart. Evening subject, The Lamb of God. The Epworth League Devotional meeting will be led by Kathryn Randle, lesson from "John Wesley, Jr." Prayer meeting on Wednesday evening at 7:30 o'clock. The new steam heating plant is installed and in operation, so that the church will be comfortably warmed for all services.

Grace Methodist Episcopal church —Thomas H. Tull, pastor. Sunday school at 9:30 a. m. T. V. Hopper, superintendent. If you do not attend elsewhere, you are invited to this school. You will find it interesting and helpful. We must win in the contest with Grace church, Bloomington. We can and we will. This contest will begin March 5. It will help us if you start now. Morning worship at 10:45. Theme of sermon: "The Lord Hath Need." Intermediate league at 2:30 p. m. Miss Agnes Davis, superintendent. Epworth league at 6:30. J. Lloyd Read, president. Evening worship at 7:30. Theme of sermon: "Rebuilding a Wrecked Life." The program of music for the day will be for the morning service: "Fear Ye O Israel," Speaker; solo, "O Love That Will Not Let Me Go," Harker, sung by Clarence Ratcliffe. For the evening: "Savior Breathe An Evening Blessing," Campbell; "The Way Is Long and Dreary," Sullivan. School of Religion will meet at I. W. C. Tuesday at 7:30 p. m. Prayer meeting on Wednesday evening at 7:30. The Men's Bible class will give a "Washington's Birthday" entertainment next Friday evening at 7:30. Miss Helen Wyle of Illinois Conservatory will sing solo at Epworth League meeting.

**WOMAN'S COLLEGE NOTES**

A great many guests are at the college for the student reception and for some of the society banquets. A full account of the reception appears in other columns of the paper. The annual gymnasium exhibition will be held on Monday, March 13th. It is planned to have the exhibition this year show the general work of the department. The championship game in basket ball will be played a little later.

An interesting letter has been received from Fern Lippincott, class of '19. Miss Lippincott is now Home Demonstration Agent for the Linn County Farm Bureau of which Cedar Rapids is the county seat.

President Harker expects to leave Monday for Evanston, where he will attend the annual meeting of the Federation of Illinois Colleges. A number of important matters relating to college standards will be brought up for discussion. President Harker will read a paper on "Student Mortality."

The annual banquet for the Belles Lettres was held Friday evening at the Colonial Inn. A full description of this has already appeared in the columns of this paper.

**CLOSING OUT SALE**

Wednesday, Feb. 22nd at 10:30, nine miles southeast of Murrayville in Greene county, horses, cows, implements, 30 bred sows and gilts, 30 coming yearling calves in good condition.

The Bank That Service Built

## CONCORD FATHERS AND SONS HELD BANQUET

Churches United in Splendid Banquet and Program at Christian Church—Rev. M. L. Pontius Was Speaker—Other Concord News.

CONCORD, Ill., Feb. 17.—The Father and Sons Banquet held on Thursday evening, was a decided success. Those holding tickets assembled during the evening at the M. P. church and at about 7:30 all present marched two by two to the banquet hall of the Ladies' Aid building of the Christian church. There tables were laid for the 154 guests who attended.

The Ladies Aid of the M. P. church was awarded the task of furnishing the supper and they performed their part in a way to win great praise from all present. The menu consisted of buns, butter, creamed potatoes, meat, pickles, jelly, several kinds of pie, with plenty of coffee and water to drink. All this for 45 cents a couple, father and son.

Bert Way was toastmaster and called the assembly to order and asked Rev. Mr. Pontius of Jacksonville to say grace. The guests then proceeded to fill up on the delicious edibles provided. After the tables were cleared, and order restored, W. C. Brockhouse was introduced as the village mayor, who responded in a welcome to all present.

A male quartet from the Christian church consisting of Bert Way, R. E. Abernathy, C. O. Bayless the Rev. Abernathy came forward with a song which was well received. F. C. Nickel then gave a short talk on "Our Schools," C. E. Norton responded very happily to the toast, "Our Town." Another song by the male quartet as named before. Rev. Mr. Hilburn, pastor of the M. E. church next responded to the toast, "The Future of Concord." A. G. Brockhouse, one of Concord's success-

ful farmers was next called and made a few remarks. Another male quartet composed of the Smith Brothers, then gave two numbers in an acceptable manner.

P. R. Leonard a retired rural mail carrier and veteran teacher in the public schools, was then called and responded in a genial manner. Rev. J. C. Wallace of M. P. church then read an original sketch of his own that was full of good points which was followed by a song by the male quartet, Messrs. Way, Abernathy, Bayless and Abernathy.

The chairman then introduced Rev. M. L. Pontius as the out of town speaker of the evening. His address was entitled, "If I Were a Boy." Mr. Pontius gave a brief sketch of his early life as a boy 14 years of age. He delighted all present by the frank and humorous talk. Passing on to the main theme, he gave the boys and their "Dads" a plenty to think about. His address was so pleasing and worth while that the writer of these notes would have been glad to report it in full had it been possible. He was heartily cheered at the close by all present.

The chairman then gave a few well chosen words in conclusion, and called on Rev. Mr. Wallace for the benediction. Thus ended the first Father and Sons banquet given by our three churches.

G. T. Douglas of Jacksonville accompanied Rev. Mr. Pontius here for the banquet Thursday evening.

A "Topsey Turvey" social was given in I. O. O. F. hall on Tuesday night by the local D. A. R. lodge. A very enjoyable evening was spent in a social manner. Refreshments consisting of pie and coffee were served.

The regular monthly birthday social of the Christian Sunday school was given on Saturday evening at the Ladies' Aid hall.

A. G. Brockhouse and mother recently attended the funeral of Mrs. Phillip Weiser, near Edinburg. Mrs. Weiser formerly lived about three miles west of Concord and was well and favorably known in that locality. She is survived by the husband and a number of children. She was in the 64th year of her age at her death.

There is quite an epidemic of bad colds and illness resulting therefrom. All are on the mend, however. Mrs. Glen Eagle and George Wheeler are two of the sick.

The electric lights in the I. O. O. F. hall will be a great improvement.

Harvey Wheeler and family visited in Brown county several days recently.

Elmer Coultas is moving from the Hoover farm to near Winchester. It is understood that the Hoover farm has been rented by a man from near Shiloh.

### GRAND BALL

By Musician's Union No. 128, Auto Inn, Mon. Eve., Feb. 20. Four Orchestras—Darley-Brown, Dunlap, Large and Goodrick. Adm. \$1.00 plus tax.

### Conservatory Notes

At the Midwinter Concert to be given next Tuesday evening, February 21st, in State Street church, Miss Eunice Northup, of Griggsville, will play, by special request, a solo on the harp. She will also play with the orchestra in the two cantatas.

A number of students in the conservatory took part in the musical comedy given at the High school on Thursday and Friday evenings of the past week, for the benefit of the Social Service League.

Miss Eunice Northup played some piano solos at a meeting of the Pike County Teachers' association last Thursday evening, February 16th.

Mr. Kritch is spending Saturday and Sunday in St. Louis.

At the Student's Recital, given last Friday afternoon, February 17th, in Recital hall, the following program was performed:

Melodrama (violin)..... Guiraud  
Elizabeth Scott.  
Idyll (piano)..... McDowell  
Ruth Bradley.

Night Song (piano)..... Brown  
Anna Mae Hulett.  
The Dance of the Fairies (piano)  
Helen Deatheridge.

The Rooster (piano)..... Maxim  
Robertta Jane Weirich.  
Barcarolle (piano)..... Poldini  
Frances O'Donnell.

Arietta (violin)..... Berger  
Emery Abernathy.  
March of the Recruits (piano)  
Dorothy Correa.

Ring Around the Rosy (piano)  
Esther Chipchase.  
Sunny Days (piano)..... Lieber  
Bernice Doolin.

Hunting Scene (piano)..... Spindler  
Pauline Bray.  
Ripping Brooklet (piano)  
Dellafield.

Larks and Thrushes (piano)  
Olive Bray.  
Arpeggio Waltz (piano)  
Elizabeth Graft.

The Gypsy (piano)..... Lynn  
Margaret Struck.  
Waltz (piano)..... Dellafield  
Ruth Roberts.

Juba Dance (piano)..... Dett  
Laura Fernandes.

White Rock Gasoline and Oils may be secured at the supply station of Joy Bros. Modern Garage.

## ILLINOIS COLLEGE NOTES

The college Y. W. C. A. gave an unusually interesting program at their regular meeting last Monday afternoon. The program was a patriotic one. Miss Clara Smith, '25, gave a "Resume of the Life and Work of Lincoln." Miss Adelle E. P. McQuiston, the College Librarian, entertained the girls with several patriotic songs, among them Lincoln's favorite hymn—"The Battle Hymn of the Republic."

The College band accompanied the Good Roads Committee to Springfield Monday. The boys were pleased to be able to meet General Pershing personally.

At the chapel exercises Wednesday morning Miss Katherine Parker, '23, gave several pleasing vocal solos.

President Rammelkamp made a trip west during the past week in the interest of the College Endowment Fund. While in Kansas City, he was a guest at the home of John F. Downing, 79, president of the New England National Bank of that city.

In Wichita he was entertained at the home of Mr. and Mrs. Forest D. Siefk, both of whom are graduates of the college, and in Hutchinson, Kansas, he enjoyed a visit with Professor F. D. Haberkorn, who was formerly director of the Conservatory of Music. Professor Haberkorn's son will enter Illinois college next fall. Dr. Rammelkamp went as far as Denver, from which place he was called home by the death of Mr. Worthington. While in Denver, he enjoyed a visit with George W. Bailey, '09, who was formerly professor of Greek on the college faculty.

E. Bentley Hamilton, '02, will serve as toastmaster at the Washington Day banquet to be held at the Greve Coeur, in Peoria. The speakers of the occasion will be Paul Reinsch, ex-minister to China; Dr. John W. Hill, chancellor of the Lincoln Memorial university of Cumberland, Tennessee, and the Honorable Houston Thompson of Washington, D. C., member of the Federal Trade Commission and former Attorney General of the state of Colorado, and Assistant Attorney General of the United States during the Wilson administration.

Jesse Iftner, '24, has been chosen manager of the football team for next season.

President Rammelkamp will attend the sessions of the Federation of Illinois Colleges, which will be held in Evanston next Monday and Tuesday. While in Evanston, he will also attend a meeting of the advisory commission of the Illinois State Examining Board, of which commission he is chairman. This commission advises the Illinois State Examining Board regarding the recognition of the colleges of the state by the State Department of Public Instruction.

Professor Roy F. Swift of the Department of Philosophy was one of the speakers at the recent regional conference of the Parent-Teachers' Association of Morgan, Cass, Mason, Brown, Schuyler and Greene counties, held in Jacksonville.

White Rock Gasoline and Lubricating Oils are sold only where White Rock signs are shown.

# PAIGE

The Most Beautiful Car in America

IN beauty of design the New Series 6-44 five passenger touring car is unsurpassed by the most expensive cars on the market, yet the new reduced price is only \$1465.

With a wheel base of 119 inches, equipped with a highly refined and perfected engine of 50 horse power, and representing the last word in six cylinder engineering, this car is a remarkable example of what exceptional experience and great resources can accomplish under present day conditions.

This Paige gives you all the merits of a soundly designed and standard six-cylinder chassis with those added refinements and appointments of today that make this a car out of the ordinary.

See it for yourself—ride in it—and you will know why the Paige is known as the car for the discriminating judge of motor car values.

**LOTS OF SUNSHINE  
DURING JANUARY**

Springfield U. S. Weather Man Said It Broke Record—Also Less Snow Than in Previous Years.

Springfield, Ill.—By the Associated Press—More sunshine than any previous January is the cheerful record of the first month in 1922, according to the monthly climatological report of Meteorologist Clarence J. Root of the U. S. Weather Bureau here.

Further than that the month of January 1922, brought the least snowfall on record to several northern division stations in Illinois. However, "in the central portion embracing about one-half of the area of the state, there was a good snow cover extending from the 18th to the 20th almost to the end of the month," Mr. Root's report says. "Otherwise, there was no continuous cover."

Important wheat areas were protected from the cold weather that occurred during the period, and as a result, the crop continued in good condition, says the report. "The ice harvest made good progress. Local wind caused damage at Waterloo on January 4. The

Ohio river was above flood stage until Jan. 8.

"The temperature averaged above normal in the northern division, but it was below in the other two. A unusual temperature was recorded on the 14th. The highest station readings ranged from 45 to 69 degrees, and occurred at a majority of stations on Jan. 4. The lowest station readings ranged from 11 to 15 degrees below zero, January 23 to 25.

"The precipitation was remarkably uniform, the total at all but twelve stations being between 1 and 2 inches. The values were below normal in all countries.

"South and east of the Illinois River, and extending to a line drawn from Danville to St. Louis, the snowfall totals ranged from 4 to 10 inches. They decreased, northward and southward from this area, to less than an inch in the extreme north and in some southern countries. The percentage of the normal amounts by divisions is as follows: North, 34, central, 70; south, 41. Nearly all of the snowfall of importance fell between the 17th and 21st. Falls of 4 or more inches occurred on the 18th in Ford, Illinois, Kankakee, and Livingston counties, and on the 20th-21st over a belt of territory extending from Champaign as far west as the Mississippi river. There was no drifting."

**RAILWAY WAGES AND  
RATES AND COST OF  
LIVING TO DATE**

Many railways already have begun proceedings before the United States Railroad Labor Board for further reduction of wages and it is probable hearings will soon commence. The Railway Age, in an editorial in its current issue, calls attention to the hearing of the latest statistics on the cost of living, which were published by the United States Bureau of Labor this week on the question of reducing wages and rates.

"These statistics," says the Railway Age, "show that in December, 1921, the average cost of living in United States was 47 percent higher than in December, 1916. This is the lowest figure for cost of living that the Bureau of Labor has reported since the war in Europe began."

"The latest available statistics, regarding railway wages are those of the Interstate Commerce Commission for September, 1921, which have just recently been made public and there has been no change in wages since then. These statistics show that in September the average hourly earnings of railway employees were 61.2 cents as compared with 27.8 cents in the year 1916, or 121 percent more.

"The use of the average increase of 121 percent in hourly wages to indicate how much higher wages are than they were in 1916 has been criticised on the ground that it gives a false impression, because the wages of some employees are not anywhere near this much higher than they were in 1916. There is justice in this criticism. The average hourly earnings of engineers and trainmen in road service are only from 20 percent for passenger engineers, to 52 percent for passenger baggagemen, higher than they were in 1916. The facts indicate that, measured by the cost of living, there would be little or no justification for reducing the wages of some classes of employees.

"But when it is shown that the increases of some employees have been comparatively small and at the same time that the average increase is still 121 percent, it necessarily follows that the increases of some employees are much greater than the average. Bearing in mind that the cost of living is now only 47 percent higher than in 1916, attention should be forcibly called to the relatively very large advances in wages that some employees are still enjoying and which are greatly inflating the cost of railway operation.

"In September, 1921, car inspectors earned an average of 74 1-2 cents an hour, which is 201 percent more than they received in 1916. Switch tenders are getting 55 1-4 cents an hour, which represents an increase in their pay of 181 percent. Air-brake men are receiving 76.2 cents per hour, which is 166 percent more than they received in 1916. Car repairers are getting 73 cents an hour, an increase of 157 percent. Yard firemen are getting 65 cents an hour, an increase of 138 percent. Section laborers are receiving over 37 cents an hour, an increase of 126 percent. Boilermakers are receiving 79 cents an hour, an increase of 93 percent, and owing mainly to changes in rules and classifications, there are 55 percent more of them employed than five years ago. Machinists are getting 78.3 cents an hour, or 91 percent more than in 1916, and there are 48 percent more of them on the payroll. Yard conductors are getting \$0.4 cents per hour, or 109 percent more than five years ago, and there are 17 percent more of them on the payroll. Blacksmiths are receiving 78.6 cents an hour, or 100 percent more than in 1916 and there are 14 percent more of them on the payroll.

"There are ten classes of employees, including about 500,000 men, each class of which are receiving average hourly wages representing advances since 1916 at least twice as great as the increase in the cost of living, and some of them enjoying increases over four times as great as the increase in the cost of living.

"Average railway rates in 1916 were the lowest in the history of the United States. The average rate per ton per mile in September, 1921, was 80 percent more than in the year 1916; the aver-

age rate per passenger per mile, 53 percent more. The advances in rates have been much less than the advances in wages.

"Does the public prefer to have the railways continue to pay the present wages or to reduce both the wages and the rates? If it decides that the present rates must be reduced, then it must recognize the fact that this decision necessarily carries with it a decision that the present wages must be reduced. The rates and the wages must stand or fall together."

**NOTICE TO TAXPAYERS**  
Notice is hereby given that the undersigned will visit the following places on the dates mentioned for the purpose of collecting taxes.

Waverly, Illinois, March 1st, at First National Bank.  
Waverly, Ill., March 2nd, at Wemple State Bank.  
Franklin, Ill., March 3rd, at Franklin State Bank.  
Meredosia, Ill., March 6 and 7th, at Farmers and Traders State Bank.  
Chapin, Ill., March 8th, at Chapin State Bank.  
Concord, Ill., March 9th, at Concord State Bank.  
Prentice, Ill., March 10th, at F. C. Walsh's store.  
Murrayville, Ill., morning of March 13th at Murrayville State Bank.  
Woodson, Ill., afternoon of March 13th, at Fitzsimmons' store.

It is the wish of the undersigned that as many as possible avail themselves of the opportunity to pay taxes on the above mentioned dates.  
**W. H. WEATHERFORD,**  
Sheriff and Ex-Officio Collector of Morgan County.

**NAME RULES AS TO  
FILING PETITIONS.**

SPRINGFIELD, Ill.—(By the A. P.)—Rules under which candidates in the April 11 primaries will file petitions will be the same as in former years under his administration, Secretary of State Louis L. Emerson has announced. "The first day for filing petitions for the primaries on April 11 will be February 10 and the last day will be March 2," Secretary Emerson said. "In accordance

with established custom, petitions received in the regular mail on the morning of February 10 will be filed before any others. No advantage will be gained, therefore, by handing the petitions in by sending them by messenger or by special delivery. Not until all the petitions received in the regular mail have been disposed of will any others be filed.

"Under the law the names of candidates for state offices and for congressmen-at-large rotate on the ballot by districts. The names of candidates for district offices appear in the order in which they were filed. The purpose of filing petitions received in the mail first is to give all candidates an equal chance."

Arenzville, Ill.

**CARUSO AMERICAN**

**MEMORIAL.**

The eight-day period beginning with February 27th next has been set apart by the Caruso American Memorial Foundation as "Caruso Anniversary Week," to be observed in all parts of the country with special concerts and other activities in honor of the memory of the great tenor. The opening day will be the 49th anniversary of Caruso's birth, and appropriate events musical and otherwise will be arranged for that and following days. The anniversary week will mark the opening of the nation-wide efforts to raise a fund for an American Memorial Foundation, which will award annual free scholarships in the name of Caruso, to talented and deserving students of music and stimulate interest of the public in more serious forms of music. Public schools, musical organizations and clubs, artists and music lovers generally, colleges and everybody are asked to participate in the observance of the week, and appeal is being made to every city

and town, large or small, that can boast of a movement for musical art, to co-operate in the anniversary celebration. Artists and other prominent men and women of America are supporting this movement. President Harding is honorary chairman of the organization.

The Chaminade Musical Club of this city will observe the opening day February 27th, with a delightful open meeting ensemble program. It is hoped that there will be a concert or program of some kind every one of the eight days of music week in musical Jacksonville.

**LIGHT-SIX SEDAN**  
\$1750  
f. o. b. South Bend

**See This New Low-Priced Sedan!**

Two more cylinders make a world of difference.

You notice it when the LIGHT-SIX slows down to a snail's gait in traffic. You notice it when the open highway ahead invites the throttle. You notice it in the greater responsiveness, the greater flexibility, the greater smoothness and in the absence of vibration.

There are new driving pleasures waiting for you in the Studebaker LIGHT-SIX Sedan.

Not only is its motor more powerful, more flexible and freer from vibration

than any other light six-cylinder motor ever produced, but the perfect distribution of the car weight over all four wheels gives it unusual riding and driving qualities.

If you have been accustomed to driving a "four," the responsiveness of the LIGHT-SIX will be a revelation. If you are now driving another six-cylinder car, the lack of vibration and perfect balance of this LIGHT-SIX will create new standards of riding comfort.

But, equally important, is the new low price of \$1750—an intrinsic value without parallel in the industry!

**This is a Studebaker Year**

**The Styles in Rings**

There is a correct style in rings as in everything else, although changes are neither frequent nor radical—rather more along the lines of increasing the beauty of a ring or a refinement of setting to enhance the brilliance of a setting.

**For the Ladies**

The newer style mountings are the pierced design and the intricate filagree work with settings of Topaz, Aquamarine, Golden White Sapphire, Ruby or Cameo.

**For the Men**

The newer style mountings are the heavy Gypsy design and also the pierced form, with settings of odd shape stones such as Sardonyx, Topaz, Bloodstone or Ruby.

We are showing a line of these newer rings, very beautiful and pleasing in workmanship and setting. The prices now are quite reasonable, and for gift presentation we could not at this time recommend anything more acceptable.

SHORTS HAD HARD TIME  
ON STOCK EXCHANGE

By Associated Press.  
NEW YORK, Feb. 18.—Shorts  
had an uncomfortable time in the  
two hours of trading today on the  
stock exchange the market sud-  
denly turning active and strong  
under the lead of favorite indus-  
trial and railroads.  
American and Baldwin Locomo-  
tives, American Car, Westing-  
house, Bethlehem Steel and the  
prominent motors featured the  
rebound. These were supplement-  
ed by oils, including the foreign  
group; also by shippings and  
sugars the latter strengthening  
on higher prices for the refined  
product.  
Rock Island was the most con-  
spicuous of rails, rising 31 points  
on heavy buying. Moderate ad-  
vances among investment rails  
gave way to realizing sales before  
the close, but local transactions  
were in steady demand.  
Sales amounted to 335,000  
shares.  
Among the factors in the stock  
market was the recurrent strength  
of foreign exchanges. Sterling  
rose almost two cents over yester-  
day's high. Allied remittances  
were eight to around 20 points  
better and Dutch and Scandina-  
vian rates extended recent sub-  
stantial gains.  
The clearing house statement  
disclosed another large decrease  
of actual loans and discounts and  
yet another moderate cash loss  
increasing the deficit in excess re-  
serves to almost \$2,000,000.  
Liberty Bonds denoted further  
pressure. Total sales (par value)  
aggregated \$8,375,000.

**COLLEGE OF MUSIC**  
NOTES

The first of a series of "Young Artists Recitals" under the auspices of the Children's Department, will be given in Music hall, Friday evening, March 17th, by Alma Mehus, pianist, and Margarethe Morris, violinist, both of Chicago. Miss Mehus is a young pianist who is attracting the attention of musical circles of Chicago, by her accompanying as well as her solo work. Although this is her first public appearance here she is out a stranger to Jacksonville, as she played here last year at a social event, and all who heard her then will be the more anxious to hear her again. Miss Margarethe Morris is a remarkable young violinist who has been appearing before the public for a number of years, although she is now but sixteen. Together these two young ladies will present one of the most attractive recitals of the season.

Miss Grace Terhune has been engaged to direct the choir at Centenary church, beginning next Sunday.

Mrs. Forrest sang a group of songs at the Parent-Teachers' Association convention of six counties at the High school auditorium Friday. Miss Grace Terhune accompanied her.

The following students' informal recital was given Thursday afternoon, Feb. 16, at Music hall:

Piano, Sonata D Major.....Hayden  
Velma Kitchell.

Violin, Two Movements Sonata in D.....Handel  
Christine Cotner.

Piano, Tromele in F.....Goodrich  
Charlotte Rogers.

Organ, Echo Bells.....Brewer  
Grace Styles.

Violin, Passepied.....Deliber-Elman  
Spring Song.....Barnes  
Estelle Cover.

Two Pianos, Fantastic C Minor.....Mozart-Grieg  
Grace Terhune, Miss Kirby.

Miss Sapiro gave a short program at the Thursday assembly at the High school auditorium.

Miss Myrna Sharlow, Prima Donna Soprano of the Chicago Opera Company who was to appear in the Illinois Woman's College Artists' Series on Monday evening, February 27, has recently cabled from Europe that she is canceling all of her American dates to remain as the guest Soprano at the famous LaScala Opera at Milan, Italy. This announcement will doubtless be met with keen disappointment by those who anticipated hearing Miss Sharlow; however it is with pleasure that Director Pearson announces that he has secured Frances Ingram, Contralto of the Metropolitan Opera Company to fill the date. Miss Ingram appeared in the Artists' Series three years ago and such a large number of requests have come for her return that her selection to fill the Sharlow date will doubtless be hailed with great delight by her many admirers in Jacksonville.

**HILLVIEW NOW HAS**  
**A MASONIC LODGE**

Lodge Instituted Recently With Charter Membership of Thirty—Other Hillview News.

Hillview, Feb. 17.—A Masonic lodge with thirty charter members was instituted here last night by Alonzo Ellis of White Hall deputy grand master, proxy for Elmer E. Beach of Chicago grand master. The lodge was instituted on recommendation of the lodges at Roodhouse, Pearl and White Hall but it will not receive a number until the final act in its behalf by the Illinois grand lodge next October. There were forty present from White Hall, sixteen from Pearl and five from Roodhouse. The officers are: W. M., I. H. Bowman; S. W., F. M. Allen, E. Clark; J. D. D. B. Black; S. S., John C. Barnett; J. S., Wm. E. Hunnicutt; secretary Robert R. Martin; treasurer, G. R. Waddell; Tyler, Cecil Talkington. The lodge is well equipped in the second story of the Garrison building.

Mrs. Nancy Long, who will be 100 years of age, June 30th next, has improved from an illness that was alarming for a time, and was able to sit up today. It has been demonstrated that she would be 103 on her next birthday is erroneous. Up to a year ago she could knit and do light work about the house. She resides with her son, Steve Long. Mrs. Nancy Moore, of Manchester, retains title of dean of the old people of this section of the state. She will be 100 in April.

It has been practically decided to rebuild the Elmore Elevator that was burned last week, but the starting of work will be indefinitely postponed. The remaining smaller elevator will take care of the crops during the present year perhaps.

**Muscular Imbalance**  
of the Eyes

Perfect eyes are a wonderful example of parallel movement. When one set of muscles becomes weakened, it causes muscular imbalance—one of the most annoying phases of eye trouble.

This trouble often leads to complications that require special skill to overcome and should be corrected immediately.

**FORMER RESIDENT**  
**OF COUNTY IS DEAD**

Mrs. Nannie A. Burke Passed Away at Home of Daughter in Decatur—Interment at Chapin.

The death of Mrs. Nannie A. Burke, a former resident of Chapin, came Friday, February 17, at the home of her daughter, Mrs. R. W. O'Bannon, in Decatur. The deceased was in her eighty-fifth year at the time of her death and her death was due to the infirmities of age.

The deceased is survived by three daughters, Mrs. H. Tucker, of Chapin, Mrs. W. M. Douglas of Survanah, Tenn., and Mrs. O'Bannon of Decatur. One daughter, Mrs. George Myers, passed away two years ago.

The remains will be brought to Chapin at 1 o'clock today and interment will be made at the Jordan cemetery.
